House Unanimously Votes Compromise Reorganization Bill

Washington — (UP) — The House unanimously approved a compromise bill granting President Eisenhower powers to reorganize the Defense Department for the nuclear-missile age.

By voice vote, the House approved the measure as drafted by House-Senate conferees. There was no debate. The compromise legislation now goes to the Senate.

Some Requests Ignored

It gives the President most of what he asked for but ignores several powers he requested.

Chairman Carl Vinson (D-Ga.) of the House Armed Services Committee read the House a letter from Eisenhower which said that "except in relatively minor respects, the bill adequately meets every recommendation to the Congress on this subject."

Eisenhower submitted the sweeping reorganization plan at the outset of the current congressional session in the wake of Soviet Sputnik successes. It was a major demand on his part.

Meanwhile, Defense Secretary Neil H. McElroy reported that the Middle East crisis has demonstrated that U. S. defense forces "are ready, and that they can move rapidly to those parts of the world where they are needed."

Missile Development

The secretary made the statement to the Senate Preparedness Subcommittee. He was recalled for what Chairman Lyndon B. Johnson (Tex.) termed "an audit of the nation's defenses."

McElroy's prepared statement included an optimistic report on missile development. It stressed the fact that the Defense Department has recently let a contract for the development of a liquid fuel engine with "about one million pounds thrust."

He commented that since his last subcommittee appearance two incidents have "tested the speed of our forces' reaction to situations of tension."

"One was in connection

Utility Property Shows Big Increase

Salem—The 1958 true cash value of utility property in Oregon has increased about \$84 million, or 9.87 per cent more than last year, C. W. Chambers, chairman of the state tax commission, has announced.

The increase, similar to that of last year, is due mainly to additional property being constructed and used in utility service, he said. Gas, electric and telephone utilities show the largest increase geared to population and business activity gains in the state.

Electric companies have added hydroelectric and steam generation facilities in Baker, Clackamas, Jackson, Jefferson, Klamath and Multnomah counties as well as substantial expansion in transmission and distribution facilities.

The telephone industry has added facilities for radio relay, direct distance dialing and dial equipment conversions.

Ecuador has the two largest volcanoes in the world. They are Chimborazo, rising 20,700 feet, and Cotopaxi, 19,550 feet.

SAFE IN PLANE CRASH
Beirut, Lebanon — (UP) — Brig. Gen. Sydney Wade, commander of U. S. Marine forces in Beirut, had a close scrape Tuesday when his helicopter crashed into a tree. It was disclosed today. Neither Wade nor his pilot was hurt.

CAN YOU PICK THE BUMBLE BEE TUNA?

It doesn't take long. Even mayonnaise can't hide the differences. Just look under the mayonnaise for the tuna meat that has a lighter, clearer color, a sure sign that it came from fresh, prime quality tuna. Next, find the tuna mixture with the firm, tender morsels. Bumble Bee Tuna sandwiches are never too dry, never too moist, never "squashy." Finally, taste. Look for gentle, fresh-fish flavor. It's always the pay-off for knowing your tuna. There you are. The Bumble Bee

Tuna is a and f in the photo above. Next time you'll buy Bumble Bee chunk style Light Meat Tuna. Won't you?

Cloudburst Floods Highway Near Yreka

Yreka, Calif. — (UP) — A heavy cloudburst flooded a Southern Pacific spur track and placed a foot of water on U. S. Highway 99 Wednesday night about six miles south of here.

The track was expected to be in operation today. Railroad officials emphasized that no passenger traffic was affected by the washout.

Cars were slowly traversing the flooded half-mile of U. S. 99, the California Highway Patrol reported. The waters were reported receding, although light rains continued through the night.

Sawmill Workers Win NLRB Election

Portland — (UP) — The AFL-CIO Lumber and Sawmill Workers Union won a National Labor Relations Board election over the AFL-CIO International Woodworkers of America to represent employees at the Santiam Lumber Company in Sweet Home by a 133 to 109 vote.

The teaching of music was introduced into Boston public schools in 1837 through the influence of Lowell Mason and the Boston Academy of Music.
