

# Knowland Opposes Khrushchev Terms For Summit Talks

Washington — (UPI)—Senate Republican leader William F. Knowland protested today that a Middle East summit meeting on terms laid down by Soviet Premier Nikita S. Khrushchev would result in "another Munich" for the West.

The Californian particularly objected to Khrushchev's demand that Indian Premier Jawaharlal Nehru participate in the proposed meeting at the United Nations.

Knowland also suggested that President Eisenhower might consider calling in former Presidents Herbert Hoover and Harry S. Truman for advice on the Middle East crisis.

Of Khrushchev's summit terms, Knowland told a news conference: "We cannot idly stand by and let him say who will attend the conference and how it will be conducted. If we do, the United Nations' effectiveness would be severely damaged and it could well go the way of the League of Nations."

He also criticized Khrushchev's insistence that no votes be taken or resolutions adopted if the chiefs of state meet. "We cannot sit back and let the Soviet Union unilaterally change the provisions of the U.N. charter," the GOP leader said.

In another development, Sen. Hubert H. Humphrey (D-Minn.) said the U.S. should insist that Israeli Prime Minister David Ben-Gurion be included in any summit Middle East conference.

circumstances—mainly British pressure and the need to deal somehow with the Middle East crisis.

The reaction of numerous members of Congress to this attitude was reflected in the comment of Humphrey, a member of the Senate Foreign Relations committee.

"This administration's negotiating approach will weaken and undermine our position," he said in an interview.

## Try and Stop Me

By BENNETT CERF

IN WASHINGTON there dwells an ambitious worker who has neither a first name nor a middle name: just Jones—plus initials R. B. The government took a dim view of this unusual nomenclature and entered his name officially as R (only) B (only) Jones. Sure enough, when RB's first pay check came rolling in, it was made out to Ronly Bonly Jones!

A Detroit youngster wasn't having any of his father's pontificating. "I'm tired of hearing about how a fool and his money are soon parted," he protested. "What I'd like to know is how they ever got together in the first place."

Hep youngster was out of school with a virus infection for a few days, accosted his teacher when he returned with a blithe, "So tell me, Miss Casey, what's new in ancient history?"

## Shoppers To Find Variety of Items In Week-End Buying

Editor's note: The following is a guide to the nation's best food buys for this week end and was prepared in cooperation with the U.S. Department of Agriculture and Interior.

Washington — (UPI) — Food shoppers will find a wide variety of their favorite items to choose from during this National Vegetable week.

Among the leading plentiful will be lettuce, potatoes, onions, corn, cucumbers, celery, squash and tomatoes, many from nearby market garden areas.

Fruit bins will hold an abundance of choices, too, with watermelons, cantaloupe and peaches heading the list. Lemons will be plentiful, while many markets will feature blueberries, cherries, and grapes.

Among the top meat buys will be those long-time favorites — broilers, fryers, and turkeys, along with chuck roasts and smoked hams for out-of-door eating.

Most dairy products continue abundant, and some markets will have favorable price tags on small pullet eggs.

Best fish buys include shrimp, fish sticks, and canned tuna.

"That's the food shopping situation for this week end, from a national standpoint. Here's a look at food counters in the area:

West — (Arizona, California, Idaho, Montana, Nevada, Oregon, Utah, Washington, Wyoming):

Fryer chickens, pork loins, and fresh fruits and vegetables will provide consumers with a variety of good buys this week end.

Supplies of fryer chickens are ample, with prices mostly 1 or 2 cents a pound lower than a week ago. Pork loins are down 2 to 4 cents a pound and smoked hams are 2 cents a pound lower.

Beef is in fairly good supply this week, with slightly lower prices on beef chuck in the northwest, and rounds and ribs 1 or 2 cents a pound lower in the San Francisco area. Calf, veal, and lamb continue in rather light supply, and prices are mostly unchanged from a week ago.

Lower in price this week are plentiful fruits and vegetables including melons, nectarines, peaches, plums, corn, lettuce, squash, tomatoes, bunched vegetables, and dry onions. In good supply are avocados, berries, figs, lemons, grapes, grapefruit, cauliflower, oranges, carrots, cucumbers, celery, and potatoes.

Egg prices are mostly 1 to 3 cents a dozen higher this week, and butter prices are unchanged.

Best fish buys are salmon, rockfish, halibut and sole.

REFUGEES ARRIVE IN ROME—The first Americans to leave Iraq since the revolution there are shown debarking from their airplane at Rome airport. There were 92 persons in this group, including 36 women and 54 children. U.S. officials said the flight was the beginning of an airlift shuttle expected to evacuate some 1500 Americans from Iraq.
