Has a peddler asked about your health?

"How are you?" asks the peddler. "Fine," you say.

"And," says the peddler, "you want to stay that way and I have here some vitamin pills, a nutritional supplement, that will insure continuing good health..."

Door-to-door salesmen are very much with us these days. Okay for pots and pans, maybe. But, when they start talking about your health, bid them a polite good-bye.

If you'd really like to know about vitamins and nutritional supplements, get a professional opinion from a doctor of medicine or a registered pharmacist.
