You can not brush bad breath away

Almost everyone uses tooth paste... yet almost everyone has bad breath occasionally. Germs in the mouth cause most bad breath. Sputnik Tag!

Mabel Inglin

Any number can play this. The player chosen to be IT is blindfolded and stands in the center of a circle. While he "counts down" from ten to zero, the Sputniks join hands and run around in a circle calling "Beep! Beep!"

When IT says "Zero!", all drop hands and are quiet, but they may take six steps to avoid being tagged by IT. Each Sputnik must count his steps and not move after the sixth one. The first one to be tagged is the next IT, and the game starts over.
