

PHOENIX

Family Continues Trip

By LILLIAN KNIGHT
Phoenix — Mr. and Mrs. Alfred Naish and son, Billy, of Gloversville, New York, left last Saturday for Los Angeles to visit other relatives on their way home after being guests of her parents, Mr. and Mrs. C. W. Corey, 310 Second st., for the past 15 days. It has been more than ten years since Corey had seen his daughter.

While here the Coreys and Naishes made a drive through the Redwoods in northern California, north on the coast highway, where they visited the sea lion caves and Astoria, and then came back by way of Portland, The Dalles, and Crater lake. Another trip was taken to Hiatt lake, where they spent three days.

A family dinner was held at the Corey home July 6 and in addition to the Coreys and

the Naishes, Mr. and Mrs. Leslie Green of Jacksonville, son and daughter-in-law of the Coreys, and their daughter, LeAnn, and their son, Lee, were present.

Mr. and Mrs. Clifford Corey and two sons of Wilmington, Del., are expected to arrive about Aug. 1 for an extended visit with his parents, Mr. and Mrs. C. W. Corey.

Mr. and Mrs. M. O. Grove and daughter, Pamela, left last Friday for San Francisco on a combined vacation and business trip.

Mr. and Mrs. Theodore Dix and two children, David and Paul, of Selma, Calif., visited with Mr. and Mrs. A. H. MacKintosh over the week end. They left Monday morning for Grants Pass to visit with an aunt and uncle of Dix's and will return home by the Redwood and coast highways.

Mrs. George Bourne has been teaching pear packing at the SOS packing school the past two weeks.

A special meeting of the Phoenix Community club board members will be held Tuesday, July 29, in the Fireside room of the club building for the purpose of voting on four new amendments to the by-laws. Final reports of the festival proceeds are expected to be given at this time and all representatives of the various clubs are urged to be present.

Mrs. William Steveley and her daughter, Elizabeth, of Salem, returned to their home after visiting their parents and grandparents, Mr. and Mrs. Horace Thompson, for the past week.

Horace Thompson is home and feeling better than he has for some time, after undergoing surgery in a Medford hospital a few weeks ago.

A bridal shower and tea were given in honor of Mrs. Tom Natwick, the former Wilma Yorton, by Mrs. Marvin Lumley at the Nazarene parsonage Tuesday, July 22. It was an open house, informal affair and many friends of the young couple called during the afternoon.

Mrs. Ernest James and her daughter, Dorothy, returned home July 16 after a month's vacation visiting in Salem, Portland, Kalispel, Helena, Great Falls and other places in Montana and Canada. Mrs. E. C. James, of the Ashland hotel, mother-in-law of Mrs. Ernest James, went to Kalispel with them, where she visited a granddaughter and then returned with Mrs. Ernest James and Dorothy.

Mrs. Sigurd Peterson and her daughter and son of Coquille stopped Monday for a short visit with Mrs. Ernest James on their way to Sacramento to get another daughter who has been visiting there.

The Democratic Social club met at the home of Mr. and Mrs. M. E. Norton Thursday, July 17, for a dinner and business session. There were 60 members present.

Mrs. Lee Nowlin and children of Anaheim, Calif., are spending a month at the home of her parents, Mr. and Mrs. LaVance Norton.

Air Force Thor Blows Up in Sky

CAPE CANAVERAL, Fla. — (UPI) — An Air Force Thor blew up a few thousand feet over the Atlantic early Saturday in a big display of "fireworks" before 15 visiting congressmen.

The blunt-nosed weapon, designed to deliver a nuclear warhead on targets 1,500 miles away, rose from its launching pad and made a graceful arc out over the water. A few seconds later it seemed to split in two with the rear part disappearing in a big puff of smoke.

The other half started falling. The Air Force apparently pushed a button and destroyed it a few hundred feet above the ocean.

The Thor, first stage of the special rocket the Air Force is expected to use in its forthcoming moon shot, is scheduled for delivery to the first Thor squadron by the end of this year. The Air Force did not announce the objective of Saturday's test but it apparently was another in a series aimed at making it operational.

The Air Force later announced the launching was "normal."

"But 70 seconds after launching a malfunction occurred and the missile broke up," the Air Force said in a statement. "The reason for the breakup cannot be determined until data has been evaluated."

FLOOD GATES CLOSED
Knoxville, Tenn. — (UPI) — The Tennessee Valley Authority closed all flood gates on Kentucky Dam Friday in an effort to reduce flooding along the lower Missouri and upper Mississippi valleys.
