

Greyhound Bus Fares To Increase

Salem — (UPI) — Public Utilities Commissioner Howard Morgan has announced that bus fares on Greyhound lines for trips within Oregon will go up 10 per cent Aug. 15.

The boost followed a 10 per cent hike allowed by the Interstate Commerce commission March 26.

The bus company said the reason for the fare increase was higher wages plus fringe benefits now paid to its employees.

Russia Charges Middle East Plot

Moscow — (UPI) — The Soviet government charged Wednesday that the London Baghdad Pact Council meeting this week reveals an "extensive plot" against the Middle East by the western powers in collusion with Israel.

It warned that the victims of western aggression in the Middle East will be given aid by the "peace-loving peoples."

The charges were made in a statement released by the official Soviet news agency Tass.

It was the first Soviet government reaction to the Baghdad Pact sessions which took place in London Monday and Tuesday.
