

**Oahu Swept by Tropical Storm**

Honolulu — (UP) — A tropical storm which has already taken one life swept over the island of Oahu today with winds of 50 to 70 miles per hour.

The disturbance struck the island of Hawaii early Thursday, causing a plane crash that killed Walter Moniz, 29, Hilo. His plane crashed on a sugar plantation, barely missing a group of workers, as Moniz attempted to land in strong winds.

Injured in the crash were Fred Jong, Honolulu, and Constantine Gofas, 26, University of Hawaii student from San Francisco.

Two Hilo radio stations were off the air temporarily when wind knocked down their aeriels.

The weather bureau issued a gale warning for all Hawaiian waters today and warned there may be lowland flooding.

**Navy Authorized To Serve Oieo**

Washington — (UP) — The Senate Armed Service Committee has approved House-passed legislation authorizing — but not requiring — the Navy to serve oleomargarine instead of butter.

The Senate group wrote in a restriction that the Navy cannot acquire margarine when surplus butter stocks are available to the Navy through the Commodity Credit Corp.

The only exception to the latter would be "in special overseas upon certification that the use of butter in such areas would be impractical."

**Dulles To Receive VFW Citation**

Kansas City, Mo. — (UP) — Secretary of State John Foster Dulles has been named by the Veterans of Foreign Wars for its 1957-1958 Bernard Baruch Gold Medal award and citation.

The recipient of the annual award is judged by the VFW to have contributed most "to the cause of American security, unity and world peace."

National Commander Richard Roubush, Indianapolis, Ind., said Thursday Dulles would receive the award at a distinguished guests banquet Aug. 18 at the 50th VFW convention in New York.

Dulles will deliver the keynote address that night.

Past winners of the award were Baruch, Dwight D. Eisenhower, Cardinal Francis Spellman, Richard M. Nixon, Billy Graham, Henry Cabot Lodge Jr. and Harry S. Truman.
