Salem, N.H. — (UPI)—Jockey Henry Wajda scored five straight winners Wednesday at Rockingham park. He started his streak in the fourth race and ran it through the eighth.

Camp Whithers Overcome Prospect 6-1 in RV Loop

Camp White—Camp White gained back a tie for third place in the Rogue Valley Baseball league last night subduing Prospect 6 to 1.

Pitcher Don Sanford limited Prospect to three hits and struck out batters 14 times. Ron Peery and Bob Smith paced White hitting with two safeties each in four times up. Peery doubled.

Camp White took command in the first inning with three runs on singles by Peery and

Roby Isaacs, an error, a walk and Bob Pond's sacrifice. Prospect scored in the ninth inning to spoil a shutout. Setzer's hit, Gallagher's sacrifice, a walk and error figured.

The fracas last night was a make-up for a postponed tussle. Camp White entertains Cave Junction and Butte Falls plays at Riddle this Sunday in the final games of the regular season.

Riddle whipped Cave Junction 10 to 3 last Sunday to break a tie for first place with the Outlaws. Butte Falls took a temporary hold on third alone by nipping Prospect 5 to 4.

Riddle and Cave Junction will be rivals in a play-off, having clinched first and second spots in the RVL.

It looks like the Milwaukee Braves are out to win the 1958 National league pennant the same way they won the 1957 flag — by stomping all over the Cincinnati Redlegs.

And even the streaking, miracle-hoping Pittsburgh Pirates won't be able to do much about it if the Braves keep knocking off the Redlegs at a .800 pace, as they've been doing the past two years.

The Braves, rocked by two straight losses in Pittsburgh, returned to the winning track Wednesday night when they picked on their favorite "cousins" for 9-2 and 4-2 victories.

The sweep built the Braves lead back to 5 1/2 games despite the fact the second-place Pirates beat the Philadelphia Phillies, 10-9, and the third-place San Francisco Giants drubbed the St. Louis Cardinals, 11-2.

The Braves ripped the Redlegs apart, 18-4, last season and have a 10-3 edge this year making a two-year domination of 23-7 for .800.

Sluggers Go To Work
Juan Pizarro pitched a seven-hitter in the first game for the Braves and Lew Burdette came through with a six-hitter in the nightcap. The Braves' long-ball sluggers were at work as usual against Cincinnati pitching, Joe Adcock blasting a three-run first-inning homer in the opener and Ed Matthews and Andy Pafko homering in the nightcap.

Robert Clemente and Bill Mazeroski drove in seven runs between them as the Pirates stretched their winning streak to seven games—longest for the club in nine years. Clemente knocked in four runs with homers in his first two at-bats and Mazeroski, batting .520 over the last seven games, drove in three with a homer and a single.

Three-run homers by Willie Mays and Valmy Thomas were the big blows for the Giants who routed Vinegar Bend Mizell, with a four-run fifth inning and "lived it up" with five more runs in the eighth.

Out of Cellar
The Los Angeles Dodgers beat the Chicago Cubs, 6-5, in the other National league game when pinch-hitter Elmer Valo doubled home Don Zimmerman in the ninth. The victory lifted the Dodgers out of last place into seventh place.

In the American league, the Washington Senators extended the New York Yankees' "slump" with a 9-4 drubbing, the Detroit Tigers whipped the Cleveland Indians, 6-2 and the Baltimore Orioles shaded the Boston Red Sox, 2-1, and the Chicago White Sox beat the Kansas City Athletics, 6-5, after a 2-1, 11-inning loss in the first game of their two-night doubleheader.

The Senators, who hadn't beaten Whitey Ford since Sept. 20, 1954, racked him up with five runs in the eighth inning as the Yankees suffered their fourth loss in five games. Roy Sievers hit his 33rd homer for the Senators.

Tigers Extend Streak
Paul Foytack won the opener for the Tigers with the help of a five-run fifth-inning rally

Alston Gets Contract
Los Angeles — (UPI)—Manager Walter Alston was set today for another year at the helm of the Dodgers, who have been languishing around last place in the National League for most of the current season.

There had been a great deal of speculation on the manager's fate—mostly to the effect that he would be dumped.

But vice president and general manager E. J. (Buzzie) Bavasi fooled almost everyone Wednesday when he announced Alston would be signed for another year along with the Dodgers coaches.

The coaches include Charley Dressen, former Brooklyn and Washington manager who had been mentioned as a top prospect for Alston's job, Greg Mulleavy, Joe Becker and Al (Rube) Walker, the retired catcher.

Rocky Colavito In Hill Debut
Cleveland, Ohio — (UPI)—He couldn't save the game and he couldn't halt the losing streak, but all hands agreed today Cleveland Indians' outfielder Rocky Colavito was a nothing sort of sensational in his big league pitching debut.

Flame-thrower Rocky, who makes the crowd "ooh" with his rocket returns from the outfield, was called in to relieve Wednesday night with the Indians trailing, 2-1, in the seventh inning of their nightcap with Detroit.

There were runners on second and third and none out. From there until the finish Colavito pitched hitless ball, although he walked three batters in the three innings and balked once.

Crater High Gridders to Draw Gear
Central Point—Head Coach Leonard Warren has set three dates for Crater High school football candidates to get their gear.

Lettermen are to report at 7 p.m. on Wednesday, Aug. 20. Non-lettermen from last year's squad are to come on Aug. 21 and those new to Crater high on Aug. 22.

August 25 is the opening date of practice and sessions are planned twice a day, 9 a.m. and 7 p.m., for two weeks. Warren said that players probably will receive physical examinations on Aug. 26. Plays Cottage Grove

At least 12 Comet lettermen are expected to return. Another, Bill White, a center, is on the doubtful list because of an illness of last spring.

Crater opens play on Sept. 12 at Cottage Grove. Warren's coaching varsity assistants will be Ed Kirtley, Ron Lamb and Ed Knapp. Kirtley will handle the backs and Lamb the line and Knapp and Lamb will have junior varsity coaching duties. Bill Piche and Don Miller will tutor the freshmen but will assist with the varsity in early drills.

Kirtley is a former Medford high grid assistant. At Crater he will also coach wrestling and conduct driver training classes.

Engineering for Cable-TV System Progressing Well
Planning and engineering for a projected cable-TV system here are coming along well, according to Everett Faber, vice president of California Oregon Television.

The firm, which operates KBES-TV, obtained a franchise from the city of Medford May 29 for the subscription-cable-TV system, to supplement their broadcast TV.

The system, called KABEST, has an office at 32 North Grape st., and has received many inquiries about its plans, Faber reported. He said no subscriptions have yet been accepted, but it is planned to begin soon asking indications of interest to determine in which parts of town operations should begin.

Maps Prepared
Maps of the city, including streets and power poles, have been prepared, and recommendations from engineering and management specialist firms are expected by the first of next month, Faber stated.

He added that rights of way and permission from California Oregon Power company to use their poles have been obtained. Negotiations with the telephone company for similar rights are under way.

Faber and other executives have attended meetings of cable TV groups, and have traveled to study existing systems. An engineering team is due here soon to lay out a plan for the whole town, including main lines and "feeders" to various neighborhoods.

Estimated Cost
Cost is estimated to run around \$3,500 to \$4,000 per mile for the cables, Faber said. Costs to subscribers are estimated at \$50 per connection plus \$5 per month.

Initially, it is planned to

operate in Medford, Ashland and Central Point, he added, with other southern Oregon towns under consideration.

Faber said the cable-TV system will carry all three major networks, CBS, ABC and NBC, and it is also planned to carry one or more educational channels which may be made available for school purposes, although detailed plans have yet to be worked out.
