Los Angeles—(UPI)—Champion Floyd Patterson and challenger Roy Harris of Cut and Shoot, Tex., two brawny young athletes with remarkable records, fight tonight for the world heavyweight championship—the ring's golden crown.

Shortly after sundown, they will square off in Wrigley field for their scheduled 15-rounder in which Patterson—who knocked out 14 of the last 15 men to face him—will try to blast backwoodsman Harris' perfect record of 22 straight professional victories.

They are not only the youngest pair to fight for the coveted diadem, but they apparently boast the most viable records of any duo in the division's title history. The 23-year-old champion lost but one of his 34 starts, and that on a very questionable decision. Harris, 25, is unbeaten.

A television showing of the Roy Harris-Floyd Patterson heavyweight boxing bout will be a rare screen here this evening. Doors at the theater open at 6 p.m. with the fight billed for 7 p.m. There will be no home television of the scrap. The bout will not be broadcast by radio.

Because of their records, each should be extremely victorious when he starts tossing the eight-ounce gloves before a crowd that will include Texas oil, cattle and rice millionaires and Hollywood stars of the entertainment world.

Floyd Is Big Favorite

The main event is slated for 7 p.m. (PST).

Because of his punch, the champion from Mt. Vernon, N.Y., is favored at 6-1 to tag Harris with his first defeat, and at 3-1 to win on a knock-out. Betting has been very light.

Clevelanders Impressive In Pro Grid Exhibition

Tradition says the team that loses in a National Football league title game goes into a tailspin the following year—but those "losing" Cleveland Browns are off to a much more impressive start in the exhibition season than the winning Detroit Lions.

The Browns, who took a 59-14 wallop from the Lions in last season's lopsided championship game, were their old "hard rock" selves as they scored a 10-0 win over

Yanks Cinch Zone Tennis

Rye, N. Y.—(UPI)—Enrique Morea, playing captain of the Argentine Davis Cup tennis team, unimpressed by the trouncing his team took during the week end from the U. S., said today the Americans have no chance of beating Australia this year.

The U. S. swept through the Argentines, 3-0, in the American Zone final, and the final two singles matches, postponed from Sunday because of rain, were to be played today at the Westchester Country club. Ham Richardson met Eduardo Soriano in the first match and Barry McKay then faces Morea.

Havanan Hurls No-Hit Verdict

United Press International
Rodolfo Arias, used mostly as a relief pitcher by the Havana Sugar Kings, took full advantage of a starting chance by turning in a no-hitter against the Rochester Red Wings in the seven-inning opener of an International league doubleheader Sunday.

The 26-year-old lefty retired the first 16 batters to face him but then walked Roy Smalley with one out in the sixth inning. Arias struck out nine Red Wings as Havana won the game, 7-0. Arias now has a season record of 6-4.

In the second contest, Havana's Miguel Cuellar continued the string of goose eggs against Rochester as he chalked up a 6-0 triumph.

In other Sunday action Columbus defeated Montreal, 7-4, in a single contest; Toronto edged Richmond, 3-2, in the second game after the Vees had taken the opener, 3-1, and Miami swept a twin bill from Buffalo, 8-1 and 6-1.

Wrigley field—from \$5 to \$30 a pew—has been disappointingly light. Promoter Bill Rosensohn, staging his first fight, originally dreamed of a \$500,000 gate; but now he will be lucky to beat the California state record of \$228,500 set by Sugar Ray Robinson and Bobo Olson at the same field May 18, 1956. The paid attendance is expected to approximate 13,000.

Patterson hasn't fought in practically a year. His last title defense was on Aug. 22, last year, against amateurish Pete Rademacher, who had Patterson on the floor before being knocked out by the champion.

No Home TV-Radio

Harris hasn't fought since last Oct. 29—about 10 months—when he outpointed Willi Besmanoff of Germany. A six-month hitch in the Army curtailed his fist activities, and tonight's battle will be his first outside of Texas and his first on any brand of TV.

The fight will be sent by closed-circuit TV to 146 theatres and arenas in 115 cities in the United States and Canada. There will be neither home TV nor home radio.

Regardless of tonight's gate and theatre-TV receipts, Harris will receive a flat guaranteed \$100,000. He is the first heavyweight challenger to get a flat assurance. He got it to make certain he wouldn't stage a possible runout under urging from the rival International Boxing club.

Patterson gets a \$210,000 guarantee, with the possibility of receiving more through various percentages of the net gate and TV-theatre receipts.

end of State scoring for the night. The score reminded followers of the Shrine classic of 1954 when State handed the city boys a 50-0 licking.

Sinnerud of Beaverton and John Damis of Grant each scored two Metro touchdowns. Steve Beguin kicked two points after touchdown for the Metros.

Hawley Scores

Frank Hawley of Vale went over from one yard to pick up the lone State touchdown. Doug Austin, Dallas, made good the extra point.

State lost a touchdown in the first half when Rich Herman's (Springfield) 35-yard run was nullified by an off-side penalty.

Sinnerud was named outstanding player of the game; John Damis, Grant, best Metro back, and Hardy Spurgeon, Marshfield, best State back.

Jim Funston of Medford, center, won the outstanding State lineman award. Wally Wolf of Milwaukie was named outstanding Metro lineman.

Tough Tiff Anticipated By Champ

BY FLOYD PATTERSON
(Written For UPI)

Oceanside Beach—(UPI)—I expect Roy Harris to give me a very tough fight Monday night, and I hope he does—the tougher the better. I'm sure I can beat him and keep my heavyweight championship. But I hope when it's all over it will stop people once and for all from asking that same old question, "who did he ever lick?"

I happen to believe the three fellows I've met in my title fights—Archie Moore, Hurricane Jackson and Pete Rademacher—were better than folks seem to think. Sure, I knocked them all out, but why not give me some of the credit?

Trying For KO

So that's why I've been glad to hear what a strong, tough fellow Roy Harris is. I'll be gunning for a knockout. Or ready to go the distance if necessary. In either case I expect to convince everyone that I am a real champion.

I've been working hard, and now we feel I'm good and ready for Harris.

I've filled out a lot since I fought last. I don't weigh any more than I used to. But I'm bigger through the shoulders and chest than before. I feel I'm as fast as ever, but I believe I can hit harder.

Harris A Mystery

We don't know much about how Harris fights. And the reports we've had only confused us. Cus saw him in an exhibition in Houston, but there aren't even any movies of his fights to study.

Actually, that doesn't bother me, because I never have believed in studying my opponents too close. If a fighter is worthy to be called a champion he should be able to handle any situation that arises in the ring.

That's exactly what I expect to prove against Roy Harris—that I'm a real fighting champion.

Pony Final

Santa Cruz, Calif.—(UPI)—The stage was set for an all Southern California finale today in the Pony Grad Baseball Region 8 tourney. Nell Fox Ties 2nd Base Mark

Chicago—(UPI)—Barring accident, Nellie Fox of the Chicago White Sox will become the major leagues' most durable second baseman in history Tuesday when he plays the position for his 478th consecutive game.

Little Leaguer Killed in Mishap

Portland—(UPI)—A 12-year-old Little League baseball player, who despite repeated warnings, played on an unanchored announcer stand at a quarter midget auto race track, died Saturday of a broken neck suffered when the stand toppled over while he was inside it.

Dennis Pullen, Portland, was attending the Western Regional Little League championships at Alpenrose park with his team and coach, Walt Myers, when he and his teammates walked about a block from the stadium and started to play on the stand.

The little leaguers watched the racing and then began to climb on the rickety stand. Attendants at the track repeatedly chased the boys away but they continued to climb over it.

Dennis suffered a broken neck when the stand suddenly tipped over while he was inside.

The boy, a third baseman on the St. Johns Woolen Mills team, was rushed to St. Vincent's hospital, but was pronounced dead on arrival.

Dennis was the son of Donald B. Pullen.
