Lone Pine School To Open Sept. 4 For Registration

Students of Lone Pine School District 10 will register on Thursday, Sept. 4, according to Principal Lee Merriman.

Buses will run at the regular time in the morning and will return pupils to their homes by noon, he announced.

A teachers' in-service training program will be held on Friday, Sept. 5, at Ruch school, Merriman said. School will not be in session then.

First full day of school will be held Monday, Sept. 8. Hot lunches will be served in the school cafeteria, the principal said.

Merriman reminded parents of entering first grade students to bring results of pre-school physical exams, and birth certificates on the day of registration.

Slips To Be Issued

Non-high school tuition slips for Lone Pine students going to the junior high school or high school will be issued by Mrs. Estelle Ballard, the school clerk and secretary, at the school office from Sept. 8 to Sept. 12, the principal announced.

Staff members at Lone Pine this year will be Don Mitchell, eighth grade and boys' physical education; Richard Michaels, band, chorus, seventh grade science and math, and boys' physical education; Frances Henry, seventh grade, librarian and girls' physical education; Beatrice Lindsay, sixth grade; Mildred Schwender, fifth grade; Ruth Broad, fifth grade; Dorothy Rix, fourth grade; Rachel Scheel, third grade; Edith Thornton, second grade; Jan Worthen

Escaped Convicts Caught After Bank Holdup in Iowa

Sioux City, Iowa - (UPI) - Two escaped convicts were captured early today after seizing a bank president and his wife hostage and robbing the bank at nearby Correctionville of \$3,420.

The two men were captured after their fumbling attempts to open the bank vault aroused suspicions of a night marshal.

They were identified as Darwin Coon, 24, and George Mills, 25, who escaped earlier this month from the Nevada State Prison at Carson City by feigning sickness.

Mills was arrested here early today after a high-speed chase ended in a wreck. Coon escaped from the wrecked getaway car but was captured several hours later at Onawa.

Held on Robbery

County Attorney Donald O'Brien said they would be turned over to federal officers and held on federal bank robbery charges.

Police said the two men staged a two-day crime spree starting at Omaha, Neb., and then swinging to Sioux City and Correctionville.

The spree reached its climax when the two men entered the home of Stoltz Hart, 47, president of the Corn Belt State Bank at Correctionville Wednesday night and seized Hart after he returned home from a fishing trip.

Hart said the bandits said they wanted the money in the bank and forced him to give them the combination to the safe.

But the bandits had trouble with the safe and vault and had to make four trips back

Search Starts for Missing Airplane

Boise, Idaho - (UPI) - Search planes from Idaho and Montana took to the air early today to look for a light airplane with four men aboard missing on a flight between Boise and Butte, Mont.

Aboard the aircraft were pilot Paul Engle of Boise, Boise middleweight boxer Dale Naz, Nampa fighter John Maravilla and manager Kenneth Nichols of Boise.

About a dozen planes from Boise and Butte joined in the two state search.

Search on the Idaho side was being concentrated between Stanley and Salmon. However, search officials reported that weather in that area was overcast this morning and that flying conditions in the section were expected to become very poor by afternoon.

At Butte, the Civil Aeronautics Administration reported that Engle had tried to file a flight plan by radio after the plane took off but that communications were bad and life control tower was unable to get it.

and forth to the bank before they got \$2,820 in silver and \$600 in bills.

They made good their escape after tying up Mr. and Mrs. Hart, but their frequent trips to the bank building had aroused the suspicions of Night Marshal A. M. Meade, who sounded the alarm.
