

'Skysweepers' May Clear Out Radiation

Amsterdam - (UPI) - A U.S. band of deadly radiation that now threatens to bar man from outer space.

PROTESTERS—Mr. and Mrs. Kenneth Calkins, of Chicago, showed up-8/18 at a missile launching emplacement under construction near Cheyenne, Wyo., with the intention of halting work.

land University told the International Astronomical Congress he believes the radiation belt, which took thousands of years to build up, could be cleared away in a matter of months.

Confirmation Required Singer emphasized the "skysweeper" idea is a corollary of a theory he has developed which requires further confirmation before it can be accepted as fact.

The Maryland space specialist's report was the scientific highlight of a day during which congress delegates speculated about the nature of a secret "top priority" program mentioned Monday by the Russians.

Russia Injects Politics The Soviet spokesman who mentioned the secret program would give no details, but an American scientist had reported earlier that Soviet Sputnik expert Peter Kapitzin is working on a plan to get a man into space—and bring him back alive.

American officials were seething over Russia's effort to inject politics into the deliberations of the IAC by trying to bar Nationalist China from membership.

The congress provides Russia with the cheapest propaganda platform in the world.

Averell Harriman, Rockefeller To Be Foes in New York

New York - (UPI) - Multimillionaires Nelson A. Rockefeller and Averell Harriman were their parties' unanimous choice today to battle it out for the governorship of New York.

Republicans convened at Rochester Monday and nominated the 50-year-old Rockefeller to run against Democratic incumbent Harriman, 66, who was nominated by acclamation at the Democratic state convention at Buffalo.

To Pick Senate Foes Before both parties end their conventions tonight, they will choose candidates for the United States Senate.

Migrating Geese Seen Over Portland

Portland - (UPI) - A large flock of wild geese heading southward was reported Monday night by Mrs. H. Nettleship who said it was the second night in a row she had seen geese migrating from the north.

Commissioner Edward Dickenson and Rep. James Delaney of Queens county.

Rep. Keating Sought Rockefeller today took charge of lining up his running mates. He asked Rep. Kennet Keating, 58, to run for senator and Keating, said to be reluctant to make the race, was reported "weakening" to Rockefeller's overtures.

There were no openly enthusiastic candidates for the Republican nomination.

Natural gas is used in 25 million American households. Water content of lean meat is about 73 per cent.
