Library Patrons Taking Advantage of Closure

Patrons of the Medford Public library are taking full advantage of the library's recent invitation to stock up this week with books, according to Librarian Helen E. Webster.

Circulation of books has been close to 1,000 daily, she reported, and on Tuesday, 1,067 volumes were withdrawn in use during the period in which the library must be closed for repairs. This figure closely approaches that for the library's largest daily circulation, 1,106 volumes.

Mrs. Wilma Eubanks, head of the circulation department of the library, urged readers not to wait until the last minute to select the books they want to read during the next few weeks. The choice of new books grows smaller by the minute, she said, but there is still a good variety of standard older titles available. Library patrons are especially advised to select their books before Saturday noon, when the task of removing all books in the 100 through 600 classes from the shelves will commence.

The library will be closed Sept. 1 to Sept. 15 while repairs and redecoration are in progress. Books checked out during the past two weeks will not be due until the library reopens Sept. 15, and no fines will be charged for the interim period.

Jackson county readers are invited to use any of the branch libraries at Gold Hill, Eagle Point, Phoenix, Talent, Central Point, Jacksonville, Butte Falls, Table Rock, or Shady Cove while the Medford Public library headquarters are closed.

JACKSONVILLE Fire Reporting Reviewed

BY BETTE HOSKINS

Jacksonville — Lewis Applebaker, fire chief of Jacksonville volunteer firemen, this week cautioned and reminded residents that it is important when reporting a fire, that the informant remain at the telephone until the call is answered by one of the local firemen.

The telephone operator merely keeps the connection open and sounds the alarm. The address and type of fire, whether house, grass, or flue, should be reported clearly. This information aids firemen in knowing what type of equipment will be needed.

Applebaker also reported that at a recent fire here, residents were seen driving over the firehose, following the fire truck, parking too close to the fire area, and otherwise hampering firemen from working efficiently. They are all illegal, and future violations by residents will make it necessary to issue reprimands, the chief said.

John J. Crabb, superintendent and Jacksonville High school principal, reported the following members of the school faculty for this year and their positions: Francis Guidry, elementary principal; Pat Tweedy, secretary, grade school; Leona D. Gilinsky and Lily C. Robison, first grade; Evelyn Wingham and Rebecca J. Long, second grade; Maude Hardy and Barbara Jane Robinson, third grade; Ida McArthur and Pearl Farnsworth, fourth grade; Dealous Cox, fifth grade, and high school coach; Mary Suljenger, fifth grade; Fred Buehling, sixth grade; Vida McCarty, seventh grade; Herbert Colley, eighth grade and grade school coach.

Mr. and Mrs. Leroy Mauroni, former residents, recently returned here, and are living in the Garner home on Sterling rd. Mauroni is the music instructor at the high school here.

Mansel Milam returned last week to Burns, where he is employed, after a few days' visit at home with his family.

Neuberger Aide Plans To Resign

Pendleton — (UPI) — John G. Jones, former La Grande and Bend radio station manager, announced today he will resign as administrative assistant to Sen. Richard L. Neuberger (D-Ore.).

Jones notified Ted Smith of Station KUMA here that he will enter an industrial and public relations consultant firm in Washington, D.C. Jones, who managed radio stations in La Grande and Bend for about 10 years, has been on Neuberger's staff since the Senator was elected in 1954.

Neuberger said he regretted losing Jones and announced that the position would be filled by Lloyd Tupling, a former Idaho newspaper publisher and a member of the Neuberger staff.

Jones was superintendent of schools for Nebraska until 1950 when he moved to Oregon to become a radio station manager. In 1952 he was the Democratic nominee for Congress from Oregon's second district but was defeated in the general election.
