Three Accidents Reported in City

Three accidents were reported by Medford city police Tuesday afternoon.

Officers reported that Vivian Marie DeWeerd, 14, of 628 Palm st., was riding her bicycle through the intersection of Jackson and Holly sts. when a car turned in front of her. The front wheel of the bicycle was damaged as the unidentified car continued down the street.

A two-car collision resulted on South Central ave. between Eighth and Ninth sts. when a vehicle operated by Levi Gerald Monroe, box 234, Jacksonville, stopped and was struck from the rear by a car operated by Wilbur Raymond Johnston, route 2, box 51A, Jacksonville, police said.

Both vehicles were southbound on South Central, according to reports. Johnston's car was damaged in the left front and the Monroe car sustained rear-end damage. Officers cited Johnston for following too closely.

Vehicles operated by Leo Benjamin Williams, 1003 Reddy ave., and William J. Foote, 18 Portland ave., were involved in an accident at Main and Almond sts. Williams stopped and Foote ran into the rear of the stopped vehicle. Minor damage to both vehicles resulted, police said.

Milwaukie Fire Blamed on Wiring

Portland—(UP)—The fire Sunday morning at Milwaukie, which took the lives of four children has been blamed on faulty wiring after investigation of the premises, firemen said Tuesday.

Firemen said that the interior of the house apparently was filled with gas and smoke until an explosion spread flames over the house.
