New Buying Center Due in Portland

Portland —(UP)—A Portland firm announced Thursday it will build a \$750,000 west side shopping center at the site of the old Portland Ice arena.

Robert Coates and Associates announced it had bought the arena from University of Portland for \$152,000 and will call for bids immediately to wreck the block-square structure. A bowling alley will be included within the shopping center, the firm said.

The building was closed by the Shipstad and Johnson Ice Follies when the fire marshal ordered extensive renovation and it was later given to the University of Portland.

Farmers in southwest Asia began to cultivate cereals about 7,000 or 8,000 years ago.

In Virginia there are rivers named Cowpasture, Bullpasture and Calipasture.

New Auto Strikes Idle Over 6,200

Detroit —(UP)—The auto industry, faced with its lowest weekly car output in a dozen years, was hit by a new wave of strikes Thursday which idled more than 6,200 workers.

Walkouts at the Fisher Body division of General Motors in Marion, Ind., the Chevrolet frame and stamping plant in Flint, Mich., and Chrysler's Amplex plant in

Detroit ended a brief "truce" period that existed over the holiday week end.

The Fisher Body walkout idled 3,500 workers, Chevrolet walkout 2,500 workers, and the Amplex walkout 215 workers.

Continuing strike by 2,300 workers at the Buick-Oldsmobile-Pontiac plant at Kansas City and by 2,150 workers at two Chrysler plants in Detroit boosted to 10,665 the number of workers idled by walkouts.

Horse Race Betting at State Fair May Top Million Dollars

Salem —(UP)—A million dollar handle for racing at the 1938 State Fair looked certain today.

Betting hit \$104,902 Thursday bringing the total to date to \$779,936.

During the last two days of the 1937 fair, some \$248,264 was bet and fair officials said little short of rain could prevent the \$220,064 needed this

year from passing through the pari-mutual windows.

Attendance Thursday was 16,538, compared with 20,021 for the same day last year. But that figure wasn't counting an estimated 14,410 youngsters who got in free for the second "kids day" of the fair.

Fair Manager Howard Maple said he thought it was

the biggest kids day in the history of the fair.

Girl Wins Again

Judging continued in the 4-H division with Micky Bressler, Salem, winning the grand champion 4-H sheep showmanship title. Earlier she had been selected Jersey cattle club queen of the fair.

Intermediate champion was Rex Newell, 15, also of Salem. Dick McGruder, Clatskanie, was named top junior showman.

Linda Erb, 16, Salem, exhibited the grand champion Guernsey and won five other division championships in the breed.

Today was Oregon Pioneer Day at the fair with Oregon pioneers staging their annual reunion at a noon picnic.

A seven-month-old south-down crossbred lamb was judged grand champion 4-H market lamb. It was owned by Keith Cyrus, Sisters.

Other Winners Listed

Reserve champion 4-H market lamb honors went to a southdown lamb exhibited by Charlotte Middleton, Portland.

In open class sheep judging, David Lewis, a Canadian breeder from Calgary, showed both champions in the Hampshire breeds.

Another Canadian breeder, Dan P. Hays, also of Calgary, showed the champion suffolk ram, but Clarence Bernards, McMinnville, won with his suffolk ewe.

Maxine Andres, 17, Keating, won the 4-H animal showmanship trophy for the second straight year, edging out Diane Wagenblast, 15, The Dalles.

Owen Faxon, 14, Philomath, won the grand champion 4-H swine showmanship title.

French Communists Mobilize Troops To Battle De Gaulle

Paris —(UP)—The Communists mobilized their storm troops today for all-out battle with Premier Charles de Gaulle before France votes Sept. 28 on his "strong man" constitution for the Fifth Republic.

Communist organs warned De Gaulle the Communists will be laying for him wherever he appears in a projected campaign tour of the provinces.

Mob Attack Fails

The Communists launched their campaign Thursday with a mob attack that tried — and failed — to break up a mass meeting in Republic Square at which De Gaulle formally presented the proposed charter to the people.

Twenty-four riot policemen were injured in the battle with some 10,000 Communists who charged the crowd of nearly 150,000 persons which had assembled to hear De Gaulle.

A Communist demand for protest strikes was ignored by subway and bus unions, reflecting the ebb of Commu-

nist strength in the French labor movement.

About 45 million Frenchmen at home and abroad will be eligible to vote on the constitution, and about two-thirds of them are expected to approve it.

The charter is designed to stabilize France's shaky political system by giving the country a president with strong executive powers in place of the present ceremonial figurehead. There is little doubt De Gaulle will be the country's first president under the new system.

LeMay Says Trip, Crisis Not Linked

Honolulu —(UP)—Gen. Curtis E. LeMay, scheduled to depart for Formosa Saturday, says his visit has nothing to do with the present crisis at the Chinese Nationalist stronghold.

"There is no possible way you can connect my visit with the Quemoy situation," the strategic bombing expert told newsmen Thursday when he arrived here by jet tanker.

"I am making the visit at the invitation of Gen. Tiger Wang Chu-ming Wang, chief of the general staff of the Chinese Nationalists' Ministry of National Defense," LeMay said. "The invitation was issued in May."

After visiting Formosa, LeMay will go to the Philippines, Japan and Alaska.

Mayor Terry Schunk and members of the city council Thursday afternoon interrupted their meeting in council chambers to purchase \$100 debentures.

11 Men Go To Lot Of Trouble To Rob Cab Driver of \$10

Chicago —(UP)—Eleven men went to a lot of trouble to rob cab driver John E. Anderson of \$10 Thursday.

Anderson said four men he drove to a west side corner paid their fare and gave him a 15-cent tip, then got into a nearby car with seven other men and the 11 started chasing Anderson's car.

During the chase Anderson's cab got stuck on a railroad track, a train narrowly missed him, a police squad car passed by but left when the 11 men assured the officers everything was fine, and finally Anderson was robbed.

The bandits left him the tip.

New York —(UP)—Severe atmospheric conditions hampered international communications, including transmission of news, in various parts of the world early today.
