

### Gold Hill Council Considers Curfew For Youngsters

Gold Hill—Preliminary procedure to provide Gold Hill with a curfew ordinance to keep youngsters off the streets at night was taken at a meeting of the city council, Sept. 2. Mayor Ernie Cooper presided.

Following a discussion of the curfew issue, the council voted to have the city attorney draw up an ordinance suggesting the curfew hour be 9 p.m., that it cover ages up to and including 19 years, that the parents of violating children be held responsible, that fines for violation to be assessed on parents be not less than \$5 and not more than \$100, and that imprisonment in the city jail be not less than one day and not more than 20 days.

The council may hold a special session to consider passage of curfew ordinance when it is drafted.

Friday, Sept. 26, has been set by the council as city "clean up day."

### Granted Vacation

Police Chief Floyd Taylor was granted a vacation period during deer hunting season.

The public utilities commissioner, in a letter to the city, acknowledged receipt of petitions from Gold Hill on the telephone matter. On Sept. 9, in Salem, a preliminary hearing on the Pacific Telephone and Telegraph company rate change request will be held. Further hearing will be announced later, according to the commissioner's letter.

A reply from Southern Pacific railroad company stated an investigation is under way regarding railroad cars being parked too close to streets in Gold Hill. This problem has been the concern of many persons because of hazards involved when the view is blocked.

Communications were read from the civil defense and highway department. The civil defense announced that monitoring equipment should arrive in October. The letter from the highway department was relative to the accumulating of state tax street funds for more than two years.

The problem of drainage on West Second ave. was given further consideration by the council, which voted to install storm drain on the north side.

Petitions for nominating candidates for city election on November 4, are being circulated for Fred Lester, Fred Lewis, Olaf Lokken and Kendall Dufur for councilmen, each for a term of four years, and for Milton Steinmetz for mayor and Ferd Jones for recorder-treasurer each for two year terms.

Nominating petitions must be filed with the city recorder not later than Oct. 3, 1958.

### Mental Health Group Organizing Family Counselling Service

The Jackson County Mental Health committee has been holding frequent meetings recently to organize a temporary Family Counselling Service using volunteer workers as counsellors.

The purpose would be to demonstrate the value of such a service in the hope that the community will support a similar program with a paid staff.

It is hoped that the service may be started within a few weeks, committee members said. One part of the Mental Health committee under the chairmanship of Miss Celia Walker is working on the detailed plans of securing counsellors, arranging for a time and place to carry on the work and other details.

The other part of the committee, with Mrs. L. E. Gustison as subcommittee chairman is charged with giving the community information about the services, both before and after it is established.

**Present Plan**  
 The present plan is the result of at least three years of study by the committee. It has heard speakers with an expert knowledge of what has been done and can be done. It conducted an intensive study by sending out questionnaires to professional groups in the community. This showed conclusively that all professional people are constantly aware of the need of people for help concerning marriage difficulties, marriage planning, work

adjustments and many other problems, the committee noted.

The committee feels that a more complete demonstration of the need can be made by setting up a service on a temporary basis. Although this temporary service plans to use volunteer workers they are to be carefully selected and screened and will all be people who have had training and experience in counselling. The volunteer workers also will work closely under the supervision and guidance of Dr. Harry Danielson, psychiatrist.

Further details will be announced as soon as available. A list of available speakers also will be given so that interested groups may have an opportunity to learn more about the project, members said.

PLACING GRAPE CROWN on head of Susan Counter, 21, San Francisco, Mrs. Virginia Knight, wife of California's governor, names her National Wine Queen at California State Fair, Sacramento. Susan, a model, measures 34-22-34.

### Coordinator Named In School Office

Robert E. Lawrence, 300 Ardmore ave., Medford, has been appointed elementary curriculum coordinator in the Jackson county school superintendent's office, according to Alf B. Mekvold, county school superintendent.

A teacher and elementary school principal, Lawrence will assume the position immediately. His duties will consist of elementary classroom supervision, work with the districts on school standardization programs, inservice training, enforcement of school compulsory attendance laws, and supervision of curriculum and textbook study committees.

Lawrence is a graduate of Southern Oregon college and recently has been attending the University of Oregon, working toward an advanced degree.

Lawrence's teaching experience totals 12 years, six of these as an elementary school principal. He has taught in Washington, Oregon and Idaho.
