Each spring everyone who loves flowers is thrilled with the glorious color and graceful beauty of Tulips in bloom. And what better way to assure yourself of a gorgeous display right in your own garden than to plan ahead and place your order now at these low, money-saving prices. Tulip bulbs must be planted in the fall. They bloom in the spring and many years thereafter. No need to dig them up every year—just let them stay. You pay nothing, until delivered to your door with your bonus tulip tree in time for fall planting. These are healthy, hardy, medium size planting stock bulbs averaging 2 1/4 inches in circumference—imported from the fertile fields of Denmark at the low, low price of \$1.98 for 100 bulbs—less than 2c each. Given proper soil, care and with normal growing conditions they should develop into full larger size bulbs the first year's planting. They come to you in a rainbow mix assortment of flaming colors. Many have already bloomed in the field this very spring. Full planting in-

structions included. Nearly 11 million customers have purchased garden stock from us and we give the same guarantee as we have in the past—you must be satisfied with the many blooms the first season, the normal bloom the second season and 5 years thereafter or replacement free. So place your order now and be assured of delivery in time for FALL planting. You get a genuine \$1 value Tulip Tree free of extra cost with your tulip bulbs for fall planting. While planning your fall garden check the wonderful selections of other fall planting items in the coupon below and take advantage of the many money-saving combination offers.

Tulip Trees thrive for years almost everywhere. Grow fast to heights of 80 feet with tulip-like blooms and dense green foliage. Beautify every lawn. Yours free of extra cost for mailing order now for fall planting.
