

Milwaukee Nears League Pennant For Second Time

Cincinnati — (UPI) — The Dodgers take on fourth-place Cincinnati today in a two-night doubleheader with Johnny Podres (13-13) and Sandy Koufax (10-10) and Harvey Haddix (8-7) in the two games. Manager Walt Alton, his team in sixth place with almost no hope of finishing in the first division, seems intent on salvaging something in experience for his rookies in the sagging end of the season. Five players who weren't with the parent club at the

start of the year started Monday in the Dodgers' final tilt of the season with Milwaukee, won by the Braves, 8-3. They were Don Miles, Ron Fairly, Bob Lillis, Don Demeter and Stan Williams. Just before the Dodgers started their final swing of the year through the East, club officials announced they were calling up a set of newcomers to give them a chance for major league action. Fairly, Lillis and Demeter have attracted attention by their play, but efforts of all

the Dodgers Monday were of little help against the World Champion Braves. Milwaukee edged to within four games of their second National league pennant. Either victories by the Braves or losses by second-place Pittsburgh which add up to four is the margin. The Dodgers appeared to be on their way to still another victory over the Braves Monday when Milwaukee rallied for five runs in the seventh. The Dodgers ended the season with Milwaukee with a 14-8 edge. Last Chance for San Francisco Comes Tonight

San Francisco — (UPI) — The San Francisco Giants get their last chance for revenge tonight against World's Champion Milwaukee, which shattered their visions of winning the 1958 National league pennant.

The last time the Giants visited Wisconsin they were just one game behind the Braves and were being hailed

as pennant threats. Milwaukee swept the four game series and San Francisco never recovered. Since then, the Braves have gone on to virtually clinch their second straight pennant, while the Giants, who also gave way to Pittsburgh—are fighting for third place.

The Giants trail the Braves by 1 1/2 games and Pittsburgh by 5. They hold a 3 1/2 game edge on fourth-place Cincinnati and lead St. Louis by 4 1/2.

Nelson Gets Player Title

Montreal — (UPI) — Triple-crown champion Rocky Nelson, Toronto first baseman, today was named the International league's most valuable player for the third time.

Nelson, who won the MVP award in 1953 and 1955 while with Montreal, beat out Montreal second baseman George (Sparky) Anderson. Nelson drew 232 points to Anderson's 208. No one else ever has won the award more than once.

Nelson, balding Portsmouth, Ohio, native, won the 1958 batting title with a .326 average, the home-run crown with 43 and RBI honors with 120. Nelson also won the league's triple crown in 1955 as well as being home run king in 1954 and 1953.

Jordan Set For Ortega

Portland — (UPI) — Don Jordan, the sixth ranking welterweight who meets No. 1 ranked contender Gaspar Ortega here Wednesday night in a nationally televised 10-rounder, said today he is after a crack at the light-weight champ, Joe Brown.

Jordan, who decided former No. 1 ranked welterweight contender Isaac Logart in July, said he believed he could win over Ortega. Jordan said he hasn't been able to get fights in the light-weight division so has been battling as a welterweight.

Ortega is battling for a shot at Virgil Akins, the welterweight champion. The 10-round bout gets under way at 6 p.m. p.s.t., with other fights to follow.

Glenn Given Honor

Portland — (UPI) — University of Portland baseball coach Bobby Glenn, at 24 one of the youngest major college coaches in the United States, was notified Monday he has been awarded Pacific Coast regional coach of the year honors by Coach and Athlete Magazine.

Glenn in two seasons as head baseball coach at Portland has a 46-17 won - loss record and both seasons he coached the Pilots into District 8 NCAA regional play. Portland lost to national champ Southern California in the District 8 final last season.

COPPLE MAKES SELF NOTICED — Dick Copple, above, a big sophomore with varied talents, is making himself noticed in line workouts at Pullman, Wash., as Washington State college preps for its football opener at home on Saturday, Sept. 20, against Stanford university. Copple, an ex-Medford high star, is one of the top prospects among sophomore line men and is playing at a tackle spot. Coach Jim Sutherland figures that Copple may be used sparingly in games this fall because of the depth of experienced men ahead of him, but the Cougar mentor still has definite plans for the ex-Tornado player. Sutherland has had Copple and sophomore halfback Lee Schroeder doing a lot of field goal work in practices. Both were consistent last week from around the 30-yard line. The Medford athlete won his numeral as a WSC freshman grid regular last fall and then was a member of the fine Coubae basketball squad.

Charity Benefit Race Set For Camp White Strip

The Second annual 'charity benefit drag race will be held this Sunday, Sept. 21, at the Camp White strip. Sponsored by Southern Oregon Timing association, all proceeds of this meet are slated for the United Medford Crusade and the Ashland - Talent Youth fund.

Competition is expected to be keen in many classes, although some of the top machines seen in action at the championship meet are not expected to be on the strip for this meet. Local contestants will once again pit their cars and driving skill against competitors from Oregon and northern Calif.

Posis Bond

SOTA has posted a \$25 savings bond on the new strip record of 144.46 miles per hour held by Jay Cheatham of Sunnyvale, Calif. Cheatham shattered the existing record of 134.24 mph at the Chimpship meet held over the weekend of Sept. 6-7 and won the \$200 bond that had been building on that record. SOTA places another \$25 bond on the strip record each time that it is not bettered.

Jack White owner of White's Cycle shop in Medford has posted a \$25 bond on his "B" cycle record of 100.55 mph established on the Camp White strip. White set the record in Sept. 1957 at the first annual Northwest Gas championship meet. Since that date he has won his class at every meet in which he participated. By posting this bond on his record, White stated that he hoped this would serve as an incentive for other cycle drivers to race their machines on the drag strip.

Time trials will open at 9:30 a.m. and eliminations scheduled after lunch. Deadline for entries will be 12 noon. Trophies will go to all class winners, for top time of the meet and for top-eliminator.

Phils Near 7th Place; Beat Cards

United Press International

Robin Roberts and Richie Ashburn, two of the original Whiz Kids who helped Eddie Sawyer lead the Philadelphia Phillies to a pennant in 1950, are making gallant efforts to prevent a last-place finish for the returned pilot this year.

And, in the process, Roberts could well wind up with "comeback of the year" award and Ashburn with a National league batting title. The Phillies, who haven't finished in the cellar since 1945, climbed to within two games of the seventh-place Chicago Cubs when they beat the St. Louis Cardinals, 6-2, Monday night. The Milwaukee Braves trimmed their magic pennant clinching number to four with an 8-3 victory over the Los Angeles Dodgers in the only other day or night game in either league.

Roberts, who seemed over the hill after 19-18 and 10-22 won-lost records the past two years, pitched a seven-hitter to raise his current mark to 16-13. It was his 19th complete game of the season and his five strikeouts raised his total to 123 for 252 innings. Set Club Record

Ashburn, who set a club record by playing in his 1,631st game, raised his league-leading average to .343 when he smashed a triple and a single. He now holds a five-point lead over St. Louis' Stan Musial, idle again Monday night.

Doubles by Harry Anderson and Jim Hegan plus a sacrifice fly by Ted Kazanski gave the Phillies a 2-0 lead in the second inning and they added single runs at the expense of Vinegar Bend Mizel in the fifth and sixth.

An eight-inning error by Don Zimmer paved the way for the Braves to score five runs and beat the Dodgers for

to pace the Braves' 11-hit attack which brought relief pitcher Bob Rush his ninth victory.
