There's MORE Good-Eatin' Meat On Every "U.S. CHOICE" Safeway Pot Roast

and LESS Excess Bone, Fat and Waste Which You Cannot Eat. You Don't Eat It. Why Pay for It?

COMPARE . . . Many markets cut off the portion shown at the right in the illustration above, and sell it as boneless pot roast at a much higher price per pound. When you buy a blade cut pot roast without this part, you get less meat in relation to bone. At Safeway, you get EXTRA VALUE because you get ALL the good eating meat that belongs. Correctly aged for peak tenderness and flavor.
