To report improper or non-delivery of the Mail Tribune in Medford phone SP 2-6141. Ashland MU 2-1021. Yreka 841W before 6:45 p.m. daily and 12:30 a.m. Sunday.

If regular delivery arrives shortly after you call please notify office thus eliminating special messenger service.

Students Moving From Little Rock

Little Rock, Ark.—(UP)—An exodus of high school students to schools in other parts of Arkansas and even in other states was reported yesterday.

The movement of students out of Little Rock indicated that many parents were tired

of waiting for the schools to reopen either as integrated or all-white institutions.

Dissatisfaction with the closing of schools in Virginia also was indicated. Parents were trying to set up a plan which would enable their children to attend classes in private homes, lodge halls or churches.

These parents did not claim the new makeshift system would end the integration controversy that has closed three schools in Charlottesville and Front Royal. But they believed it would give some schooling to the 1,700 students who are now idle.

Highway Crash Kills Woman, Injures 4 Girls

Mrs. Bessie Marjorie Smith, 37, of Klamath Falls, was killed and four 17-year-old girls were injured when the car in which they were riding went off Highway 66 about 1 1/2 miles east of Tub Springs State park and struck a tree about 2:45 a.m. Saturday, according to state police.

In Ashland General hospital are Helen Kathryn Smith, Josephine Ann Krook, Judith Marie Frasier and Ethel Florez, all of Klamath Falls. The girls were reported in serious condition Saturday afternoon by hospital officials.

Police said Miss Smith suffered arm injuries and a possible skull fracture; Miss Krook, possible internal injuries; Miss Frasier, leg and facial injuries; and Miss Florez, a fractured jaw.

The car, operated by Mrs. Smith, was traveling east on Highway 66, police said, when apparently Miss Smith attempted to turn on the car radio. She struck the headlight switch, and the car's lights went off.

By the time the headlights were turned on again, police said, it was too late to avoid striking the tree.

Mrs. Smith and the girls were returning to Klamath Falls from Medford where they attended the football game between St. Mary's of Medford and Sacred Heart of Klamath Falls.

The fatality was the 10th in Jackson county so far this year. Last year at this time, 21 persons had been killed in traffic accidents in the county.

Lawyers' Statement Urges Integration

Little Rock, Ark. — (UP) — Sixty-one lawyers signed a statement yesterday saying that Gov. Orval E. Faubus' plan to reopen Little Rock's closed high school was not constitutional. They urged the people to vote for integrated schools in a special election next Saturday.

The lawyers' statement was made public as Little Rock's High schools opened a classes-by-TV project and the segregationist Central High Mother's league circulated a petition for an election to recall four members of the school board.

The lawyers, including some of the most prominent in Little Rock, made these points in their statement:

- "It is our opinion that existing public school facilities of the district cannot be legally operated with any public funds as segregated private schools and, consequently, that the real issue before the voters of this district on September 27 will be whether we shall open our schools under the (Supreme) Court approved plan of limited integration or close them altogether.
- "A limited integrated school system pursuant to court orders is distasteful to many in our group, but the alternative of no public school system is even more distasteful."
- "We do not believe that the existing circumstances justify destroying one of the finest public school systems in the nation.
- "We regret that the alternatives are harsh, but,

Non-Union Mills Granting Raise Here

A number of the larger lumber firms contacted in the Jackson county area have decided to grant the 7 1/2 cent hourly wage increase proposed by the Lumber and Sawmill Workers union.

Spokesmen for a number of the mills which were not union organized said they felt they had to go along with the wage raise since the mills under unions were.

Medford School Calendar Set

The proposed 1958 - 59 calendar for school district 549C, Medford, has been announced by school officials. The last of the schools, Medford High and Hoover Elementary schools, will open tomorrow.

Tentative date for the Jackson County Teachers conference is Nov. 10, and the following day, Tuesday, Nov. 11, is a legal holiday. The Thanksgiving holidays are scheduled Nov. 27 and 28, and the Christmas holidays between Dec. 24 and Jan. 4, inclusive.

Jan. 23 is the end of the first semester, and spring vacation is scheduled March 19 and 20. High school commencement is scheduled June 4, and school will close June 5.

(See story on page 14)

with regular high school teachers, and film.

School Superintendent Virgil T. Blossom reported that 210 of Little Rock's 3,480 high school students have transferred to other schools.

Of those who have transferred, 130 were from Hall High in the city's best residential section. Hall has a total of 717 students, meaning that 17.7 per cent of its student body has gone.

Central High, the center of the controversy, has lost 80 of 2,071 students in transfers. Little Rock Tech and Horace Mann, the Negro school, have lost no students by transfers.

nevertheless, as attorneys and citizens, we feel compelled to take our stand for public education," they said.

"We urge our fellow citizens in the Little Rock school district to face frankly the hard alternatives and to join with us in an effort to preserve free public education in our city."

It was denied that the Pulaski County (Little Rock) Bar association is behind the statement, which is being circulated for more signatures.

"It started in one of the law offices and was passed around over town," a lawyer said.

One of the lawyers said it is a statement of opinion, not a petition, and will not be sent to Faubus.

AEC Postpones Atom Safety Test

Las Vegas, Nev.—(UP)—The Atomic Energy Commission postponed a scheduled nuclear safety test yesterday without explanation.

The test, an attempt to discover the best way to guard against accidental nuclear explosion, was to have been the 15th of its kind.

The AEC said 2 1/2 hours before the firing that the test was postponed and "a new readiness date will be announced shortly."

It was indicated the reason for the delay was simply that the test was not ready at the scheduled time.

GM, Chrysler Propose Same Terms As Ford

Detroit — (UP)—General Motors and Chrysler, threatened by the United Auto Workers with strikes, yesterday proposed to settle their contract differences on the same terms that the UAW accepted from Ford Motor company.

Roger Linhart, 14, Killed by Friend In Gun Accident

Jack Peebler Pointed Brother's Gun At Him

Roger Donald Linhart, 14, son of Mrs. Sarah Linhart, 1762 South Peach st., Medford, was accidentally shot and killed by Jack Nelson Peebler, 14, son of Mr. and Mrs. Robert (Bud) Peebler, 1871 Marsh lane, Medford, early Friday afternoon.

Chief Criminal Sheriff's Deputy Joe Walsh said the accident happened when the boys, who had known each other since the first grade, were playing with a .22 caliber pistol at the Linhart home. The boys, both 9th graders at McLoughlin Junior High school, stayed away from school Friday, deputies said.

The gun is owned by Floyd Linhart, older brother of Roger. It was in a holster hanging on Floyd's bedroom wall.

Boys In Bedroom Walsh said the boys were in the bedroom, and young Peebler took the revolver from the holster. He pointed it at young Linhart, deputies said, apparently not realizing it was loaded. Young Linhart was struck in the forehead, Walsh said.

Young Peebler called Medford police, who notified the sheriff's deputies, who called a physician. Walsh said the boy had died before the physician arrived.

Case To Grand Jury Jackson County District Attorney Thomas Reeder said that from the investigation conducted by the sheriff's office it appears to have been an accidental death. However, he said he would present the case to a grand jury next Thursday because of the seriousness of it.

Young Peebler was released to his parents by sheriff's deputies.

Survivors of the Linhart boy include his mother, Mrs. Sarah E. Linhart; five sisters, Iris Carter, Medford, Mrs. Mildred Harris, Pittman, Nevada, Mrs. Darlene McLeod, Medford, and Sharon and Iva Linhart, both of Medford; and one brother, Floyd Linhart, also of Medford. One sister, Cora, preceded him in death in 1935.

Hunting Accident Injures Boy, 10

James Alan Gould, 10, of Happy Camp, Calif., was reported in fair condition in Sacred Heart hospital Saturday suffering from a .22 caliber bullet wound in the stomach.

The Gould boy, son of Clifford L. Gould, Happy Camp, was flown into Medford by Mercy Flights, Inc., plane.

The 10-year-old boy was said to have been hunting with Ronald David Blaycock, 9, also of Happy Camp, Calif., when the accident occurred.

James Gould Blaycock when a bird suddenly flew up. The gun went off too quickly and the bullet went through the Gould boy's stomach, it was reported.

Warsaw Meeting Positoned One Day

Warsaw — (UP)—The U. S. embassy announced yesterday that the scheduled meeting to day of the American and Red Chinese ambassadors on the Formosa crisis has been postponed until Monday.

The spokesman said the session had been delayed "for administrative reasons."

In diplomatic language, this meant one side had requested the postponement, probably to await new instructions from its government.

There was no indication whether U. S. Ambassador Jacob Beam or Chinese Ambassador Wang Ping-nan had asked for the delay.

Roger's Declaration A Warning To South

Washington — (UP)—Attorney General William P. Rogers' declaration that government officials cannot "flout" the supreme court's integration decision without violating their oath of office was viewed as a pointed warning to Southern extremists.

President Angrily Rejects Latest Khrushchev Letter

Woman Stabs Rev. Martin King In Harlem Store

New York — (UP)—The Rev. Martin Luther King Jr., Southern Negro integration leader, was stabbed in the chest yesterday by a Negro woman who attacked him with a letter opener while he autographed copies of his new book in a Harlem department store. It took surgeons nearly three hours to remove the weapon from King's chest.

The knife thrust by 42-year-old Izola Ware Curry nearly pierced the heart of King who led the Montgomery, Ala., bus boycott in 1956.

King spent more than four hours in the operating room at Harlem hospital where a team of four surgeons performed a "miraculous job" in the intricate removal of the letter opener.

"Quite Satisfactory" His condition was described as "quite satisfactory" as he was wheeled from the

Student's Knife Brings Expulsion

New Orleans — (UP)—An unidentified Negro student was expelled yesterday from the integrated New Orleans branch of Louisiana State university for carrying a six-inch knife on the campus.

Dean Homer L. Hitt at the same time warned bluntly that any other students, Negro or white, found carrying weapons of any kind on the campus also would be expelled.

He thus lent weight to his statement earlier in the week that school officials would tolerate no violence, boisterousness, congregating and name-calling. Students demonstrated on the campus, where 69 Negroes began classes this week, for two straight days before Hitt issued his crackdown order.

A white student noted the knife protruding from the Negro's pocket, Dean Hitt said, and reported it to a campus security guard. The guard in turn notified school officials.

Dr. Hitt said the Negro student told him he "was going to get the knife sharpened later in the day."

Rail Disaster Toll Increases To 46

Bayonne, N. J. — (UP)—The death toll in Monday's Jersey Central Railroad disaster rose to 46 yesterday with the recovery of a man's body from Newark Bay.

The body was tentatively identified as that of James C. Adams, 45, Rumson, N. J., a trade publication publisher, whose wife died of cancer the day after the commuter train plunged off an open drawbridge.

Two men were still listed as missing. They were believed to be Thomas Judge, 48, Elizabeth, N. J., and Richard McGovern, 45, New York City.

County Voters' Registration Slow

Registration of voters continues to be slow in Jackson county, according to County Clerk Bereth P. Hopkins.

As of Friday, Sept. 19, the Republicans had 17,295 voters registered and Democrats 16,136 registered. Those in the miscellaneous category of party affiliations totaled 737 voters. Total registered is 34,168.

Mrs. Hopkins said this is a gain of 122 voters for the Republicans, 201 for the Democrats and 281 miscellaneous since July 15.

"Think We Should Wait Till They Catch Up?"

Foreign Interest In Oregon Studied

A comprehensive study of foreign trade interest in the state of Oregon and its impact upon the economy of the state is now being conducted by the Library of Congress, Govern-

Mothers Plan Schools At Home

Charlottesville, Va. — (UP)—Determined mothers tied their basements and set up borrowed black boards yesterday preparatory to opening do-it-yourself grade schools Monday as one answer to state school closures.

Plans also were made for high school seniors to start their fall semester belatedly in the local Elks club later next week.

More than 300 pupils of Venable Elementary school, one of two closed here by Gov. J. Lindsay Almond Jr., to block federally-ordered racial integration, were to report Monday to 15 or 16 private homes where their regular teachers from the city school system will hold classes until the public schools reopen.

No plans were made to admit Negroes to the classes held in private homes, clubs or churches, even though taxpayer public teachers will be used.

Lebanon Premier Flown to Turkey

Beirut, Lebanon — (UP)—Outgoing pro-Western Premier Sami es Solh was flown out of Lebanon to Turkey aboard a U. S. Navy plane yesterday in a cloak-and-dagger operation which indicated possible concern for his life.

His staunch defense of President Camille Chamoun's pro-Western policies had made Solh the target of five recent assassination attempts. His departure plans were so secret that his brother and sister were not informed until after his plane took off.

Solh arrived in Istanbul last night and said he would not return to Lebanon if the nation lost its "independence." He said in that event he would "fight from other countries" until Lebanon becomes an independent state again.

School Bus Crashes Near Myrtle Point

Myrtle Point — (UP)—A school bus filled with elementary and junior high school students crashed off Lee Valley road Friday about six miles northeast of here injuring seven children and the driver, none of them seriously.

One child, Kenneth Starry, 9, Myrtle Point, was kept overnight at Mast General hospital here for observation and the others were treated and released. Driver of the bus was George Royer, 59, Myrtle Point. He suffered bruises.

The accident occurred on a curve, the Coos county sheriff's office said.

BULLETIN

Medford firemen were called at 9:52 p.m. Saturday to put out a fire in a shed behind a house at 215 South Front st., it was reported.

Ike Calls Charges 'Unacceptable,' Note 'Abusive'

Believed First Time Red Note Snubbed

Newport, R.I. — (UP)—President Eisenhower angrily rejected Soviet Premier Nikita S. Khrushchev's latest message on Formosa yesterday and sent it back unanswered.

White House Press Secretary James C. Hagerty said that, as far as State Department officials could recall, this was the first time a Soviet communication ever had been rejected.

Eisenhower issued a special statement at the vacation White House denouncing a letter received at the American embassy in Moscow Friday. He labelled the Soviet Premier's latest charges as "unacceptable" and termed the letter "abusive" and full of "inadmissible threats."

The White House said Richard M. Davis, U.S. Charge D'Affairs in Moscow, has been instructed to return the Khrushchev message to the Soviet government in Moscow this morning.

In a second statement accompanying his announcement of rejection of the Khrushchev letter, Eisenhower said the United States considers the Russian viewpoint "grotesque and dangerous."

In Washington, officials said Eisenhower's refusal to accept Khrushchev's "abusive" letter had plunged Russian-American relations to a new low.

Such a rejection of a diplomatic message is not a move toward severing relations, officials said, but is considered a severe "slap in the face."

It was considered bound to put a further chill on U.S. relations with Moscow. One of the Sharpest

Khrushchev's note to Eisenhower was one of the sharpest he has yet written to the President. He said the Chinese Communists would drive U.S. forces out of the Formosa area unless they leave voluntarily and promptly, and he warned again that American resistance to the Communists would mean another world war.

Khrushchev also demanded that the Nationalist-held offshore islands be turned over to Red China and said that neither the Soviet Union nor Red China would be "frightened" by American "atomic blackmail."

Eisenhower conferred by telephone with Secretary of State John Foster Dulles in Washington this afternoon after the President returned from viewing the opening of the America's Cup races. Later he played golf.

Then the White House issued two statements, one rejecting the Khrushchev note and the other commenting on its contents.

In rejecting the Khrushchev message, the White House said:

"This communication is replete with false accusations; it is couched in language that is abusive and intemperate; it indulges in personalities; it contains inadmissible threats.

"All of this renders the communication unacceptable under established international practice. Accordingly, it has been rejected, and the United States charge d'affaires in Moscow has been instructed to return the communication to the Soviet government."

WEATHER

FORECAST: Variable cloudiness this morning and increasing cloudiness this afternoon and evening. Clear tonight and Monday with possibly a few light showers Monday. High today 72; low tonight 59; high Monday 68.

Highest Yesterday 59
Lowest Yesterday 37

Our Skies Tonight

Sunset today 6:12 p.m.
Sunrise tomorrow 5:58 a.m.
Moonset tomorrow 12:56 a.m.
The constellation of Orion now rises shortly after midnight and it will be high in the south-east in the early morning twilight. This group of bright stars will be prominent in the evening sky next winter.
