

# Wilhelman Pitches No-No Orioles Defeat Yanks 1-0

By United Press International  
Hoyt Wilhelman, 35-year-old knuckleballer who was supposed to be on the skids in the majors, fashioned the first no-hit, no-run game in the modern history of the Baltimore Orioles Saturday when he beat the American league champion New York Yankees, 1-0.

The only run of the game came in the seventh inning when Wilhelman's battery-mate, catcher Gus Triandos, slammed his 30th homer of the season off reliever Bobby Shantz.

Only two batters reached base against Wilhelman, both of them by walks. Bobby Richardson walked in the third inning and was out stealing, and Jerry Lumpe walked in the fourth.

Wilhelman, who was cast off by the St. Louis Cardinals last year, then signed with the Indians who sent him to Baltimore on waivers last month, used knuckleballs almost exclusively in gaining only his third victory of the year. He has lost 10 games.

**Gained Fame**  
The veteran right-hander, who gained his greatest fame with the New York Giants'

penant-winning team of 1954, had to be at his best in the early innings against Yankee starter Don Larsen. Larsen, pitching for the first time in 33 days and being tested for a world series assignment, yielded only one scratch hit for six innings. That was a bunt single by Bob Boyd in the second inning.

Shantz yielded four more hits, the big one being Triandos' homer which tied the record for most homers hit by an American league catcher in one season. Yogi Berra of the Yanks shares the mark.

Jackie Jensen's single with the bases loaded in the eighth inning gave the Boston Red Sox a 2-0 victory over the Washington Senators. Jensen's two runs-batted-in increased his total to 118 and earned Frank Sullivan his 12th triumph. Sullivan struck out seven and yielded only four hits. Loser Vito Valentinetti, who held Boston hitless until the seventh, gave up only three hits.

Cleveland and Detroit divided a doubleheader, the Indians winning the opener, 2-1, and the Tigers taking

the nightcap, 4-1. Pinch-hitter Randy Jackson singled home Billy Moran to cap a two-run Tribe rally in the ninth inning of the opener. Reliever Hal Woodeshick was the winner and Frank Lary the loser.

In the nightcap, the Tigers hammered out loser Gary Bell in the third inning when they scored all their runs. Southpaw Billy Hoelt hurled a five-hitter for his 10th victory, the only run off him being Vic Power's 16th homer in the fourth.

Chicago was at Kansas City in a night game.

# SPORTS STANDINGS

Los Angeles at Chicago—Koufax (10-10) vs. Anderson (3-1)

# Braves Head For At Least A Tie; Beat Redlegs 5-1

By UNITED PRESS INTERNATIONAL  
Lew Burdette, the Milwaukee Braves' 1957 world series hero, pitched them into at least a tie for their second straight National League pennant Saturday with a 5-1 victory over the Cincinnati Redlegs.

The game was halted in the seventh inning because of rain which began a half-hour before game time and eventually made the field unplayable. The next Milwaukee victory or Pittsburgh defeat will formally clinch the flag for the defending world champions.

The Pirates, fighting to the end, clinched their highest finish since 1944 when they beat the Philadelphia Phillies, 4-3, and became mathematically certain of winding up the season in second place. The San Francisco Giants defeated the St. Louis Cardinals, 5-1, and the Chicago Cubs shaded the Los Angeles Dodgers, 3-2, in other games.

# U. S. Boat Beats British In America Cup Classic

Newport, R. I. —(UPI)—The Columbia beat the British yacht Sceptre by a overwhelming margin Saturday in the first race of the America's cup of the 107-year old world series of sailboating.

Thousands aboard spectator craft outside Newport harbor saw the American boat cross the finish line by what the Coast Guard said was about half a mile lead on the 24-mile course. It appeared to some to be even more.

Columbia beat Britain's challenger for the trophy by a much bigger margin than she had against other American boats in the elimination to pick the defender of the cup, lost by Britain in 1851 and never regained in 16 previous trials.

The official time for the race was a very slow five hours and 13 minutes for Columbia and five hours, 20 minutes and 44 seconds for Sceptre.

The Columbia posted the finish line 7 minutes and 44 seconds before the unhappy British crew got there.

At the end, both boats ran the signal they were ready to race again Monday in this first four out of a possible seven races.

Hundreds of spectator boats set off a deafening noise of horns and whistles as Columbia gracefully swept past the final buoy after leading the race from the outside and never even being threatened. Sceptre, too, got a salute when she crossed.

The breeze was so light at times that both boats were almost at a standstill and there was for a time some question whether they could finish within the required six hours. Had they not, the race would have had to be run again.

# Final Drag Race Set For Camp White Sunday

This season's final day of drag racing will be held today at the Camp White drag strip.

Sponsored by Southern Oregon Timing association, all proceeds from action will be divided between the United Medford Crusade and the Ashland-Talent Youth Fund.

Faster speeds than usual are anticipated because of the cooler temperatures and higher humidity according to SOTA officials.

Nearly 100 contestants are expected to provide keen competition in some twenty classes of stock and competition vehicles.

Should the Ashland dragster team of Howard Roberts and Ken Mickles be present with their Oldsmobile-powered fuel-injected speedster a real dual could develop for top eliminator honors. Their opponent, Medford's Noel Black is reported to be ready with his sleek "Skylark 220".

Black made the best showing of all contestants against Jay Cheatham at the championship meet two weeks past. He paced the champion Cheatham wheel to wheel for nearly the entire length of the one-fourth mile speed trap. This is the finest showing Black has made this summer and it could be an indication of what he will be doing today.

The Roberts-Mickles machine has turned speeds of over 134 miles per hour earlier in the season and unless it is sidelined by mechanical troubles, as has been the case throughout the summer, it will provide some fast and exciting action.

Top drivers will be shooting at the new strip record of 144.46 mph held by runner-up National winner Jay Cheatham from Sunnyvale, Calif. Cheatham established this mark during the Northwest Gas championship action.

The Wheelers car club of Medford is reported to have their "Zombie" tuned and ready for an assault on its class record of 113.29 mph, of which, it is the holder. Zombie recorded a time of 121.58 mph at Redding, Calif. some two months ago. It is one of the nation's fastest cars in the "A" competition class.

Time trials will open at 9:30 a.m. and no entries will be accepted after noon. Eliminations will follow lunch and trophies will be presented immediately upon conclusion of the top-eliminator run.

Races will be held at the SOTA drag strip located on Drag Strip rd. in west Camp White, seven miles north of Medford off the Crater Lake highway. Signs will be posted from the "Y" in north Medford to the racing site. Spectators are welcome to this, the last racing slate of the season for the Rogue Valley. A concession stand will be in operation.

# Ortiz Outpoints Johnny Busso

New York — (UPI)—Lightweight contenders Carlos Ortiz and Johnny Busso will meet in a third "rubber" match, now that Carlos has avenged his only defeat by outpointing Busso in their return TV fight at Madison Square Garden Friday night.

Managing Director Harry Markson of the International Boxing club said he would like to have the two New Yorkers fight in late October or early November at the Garden.

In Friday night's 10-rounder, Ortiz, 22 and favored at 7-5, won a unanimous 10-round decision on a rounds basis: 5-4-1, 6-4, 6-4. The United Press International agreed, 6-4.

It was an evening victory against the only professional who had ever beaten Carlos. Busso, 24, won a disputed split decision over Puerto Rico-born Carlos at the Garden, June 27.

**VETERAN SCOUT DIES**  
Lebanon, Pa. — (UPI)—Charles S. (Pop) Kelchner, 84, who was affiliated as a scout with the St. Louis Cardinals for 40 years, died Friday in a convalescent home at nearby Palmyra. Joe Medwick, one of the National League's top hitters, was among his finds.

# Father 'Earns' Speeding Ticket With His Life

Colusa, Calif. — (UPI)—A young Colusa father, angered because he was cited for speeding, decided to "really earn this ticket."

But he'll never have to pay it.

Gerl Wesley Wilson 25, was stopped by police early Friday for driving 45 miles per hour in a 25-mile speed zone. The young farm laborer signed the ticket and then got angry.

"I guess I've got a free one coming," he snapped. "Now I'll really earn this ticket."

Wilson slammed his car into gear and led the officers on a chase at speeds up to 100 miles per hour. Suddenly, his car skidded and crashed broadside into a telephone pole.

daughter, Mary Katherine, Wilson and his 6-year-old were killed instantly. His wife, Bonnie, 22, and two sons, James, 4, and George, 1 1/2, were hospitalized with serious injuries.

The Gauls had a system of roads and bridges before the Roman invasion.

# HORN BROOK Voters Turn Down College

By KATHERINE CHAPMAN  
Hornbrook — With an emphatic "No" at the polls Tuesday, voters of the northern part of Siskiyou county turned thumbs down on the \$2,940,000 bond authorization to build a junior college in Siskiyou county.

A district-wide turnout of approximately 50 per cent of the 14,000 registered voters failed to give even a simple majority, much less the two-thirds majority required to authorize school bonds.

The turnout was "astounding" according to County School Superintendent W. E. Roberts, who stated that he could recall no other school election that had drawn out so many voters. The latest unofficial tally for the county showed 3,656 "yes" against 3,720 "no" votes.

Hornbrook voted 38 "yes" and 88 "no," which tallies with the 50 per cent voting in the rest of the county.

Of 29 elementary school districts voting, a total of only five districts favored the college, and these five are in the immediate vicinity of the site of the proposed college, which is near Weed.

Mrs. Jan Cozzallo, who teaches in Yreka High school, returned home this week from Lake Tahoe, where she attended the ninth annual northern section leaders conference on Sept. 12 through 14. The ferences are sponsored by the California Teachers association.

Principal Harley Baker, of the local grammar school, and teachers Mr. Rachel Martin, Mrs. Ruth Cummins and Mrs.

# NOTICE

To All Users of Hotpoint Appliances

Effective Sept. 22nd

Our Service Dept. Is At Your Service

We have three qualified service men who have had years of appliance service experience, and who have just completed a thorough service training course by the Hotpoint factory branch in Portland. They, and their service trucks are equipped to render you competent service on all Hotpoint products. All Hotpoint parts warranties will be fulfilled by us, regardless of where the appliance was purchased.

Our labor service charges are at standard industry rates for this area.

Our terms are cash on completion of the job, unless you have a credit account at our store, or arrangements for credit has been established at the time of the service order.

We welcome you to our family of satisfied customers
