

SUCCEEDING late Samuel Cardinal Stritch, Archbishop of Milwaukee, has been named Archbishop of Chicago, the Vatican has announced.

Truman Due at Portland Saturday

Portland—(UP)—Former President Harry Truman will arrive at Portland International Airport Saturday shortly before 3 p.m. aboard a chartered West Coast Airlines turbojet plane.

Mr. Truman will speak at the northeast ramp at the airport to a gathering of Democratic congressmen and party workers before motoring to the Roosevelt hotel in downtown Portland.

The former President will speak at a \$25-a-plate dinner in Portland Saturday night. He speaks at a \$50-a-plate dinner in Seattle tonight.

Thornton Favors Youth Program

St. Helens—(UP)—A youth program along the lines of the Civilian Conservation Corps (CCC's) of the 1930s would help the national juvenile delinquency program, Attorney General Robert Y. Thornton said here Thursday night.

Thornton, Democratic candidate for Congress from the first district, told Oregon Justices of the Peace that such a program would take youths off the streets in metropolitan crime centers. He said it also would provide a stimulus to the rebuilding and reforesting of logged over and burned over areas.

Court Denies UP Picket Injunction

Portland—(UP)—Federal Judge William East Thursday denied the Union Pacific railroad a preliminary injunction which it sought against the International Longshoremen's and Warehousemen's Union in connection with a ship unloading dispute here.

The railroad had charged that pickets coerced switchmen and forced it to use officials to move cargo from a ship being unloaded for the Harvey Aluminum Corporation. Union Pacific claimed it suffered financial losses.

Judge East ruled the railroad had not suffered irreparable damages. He said if it suffered financial damages it might seek restitution in the courts instead of asking for injunction action.

The railroad is not a party to a dispute between the union and the Harvey Company over unloading of alumina ore from vessels here.

GIRLS LIKE HIM

Chicago—(UP)—Movie stars have nothing on young, handsome Robert F. Kennedy, chief counsel to the Senate Rackets Committee. A group of teen-aged girls saw him on television and immediately formed a "Robert F. Kennedy Fan Club."
