

### Dinner Planned By Howard PTA Wednesday Night

Howard Parent-Teacher association is sponsoring a dinner Wednesday, October 1, at the school cafeteria to raise money for the summer recreation fund. Serving will begin at 5:30 p.m. with a small charge per person or a "cover charge" per family.

Families of children in the first three grades are asked to bring a casserole dish of either tamale pie, tuna or chicken and noodles, spaghetti, macaroni and cheese or baked beans. Families of children in the fourth and fifth grades are asked to bring cakes; grade six, salads; grades seven and eight, two cans of either green beans, corn or peas.

Teachers of the school were honored at the first meeting of the PTA held September 25 in the multipurpose room of the school. Mrs. C. E. Chisum, president, conducted the meeting.

The budget for the 1958-59 was presented and approved. Ronald Quackenbush, vice-principal, demonstrated an opaque projector for the group. The PTA purchased this projector for the school and this was the first opportunity for seeing how the machine can be used in the school.

Mrs. Chisum presented the teachers a large basket of fruit in behalf of the PTA.

The summer playground program for next summer was announced by Mrs. Chisum and explained in more detail by William Colley. The playground project will be sponsored this year the PTA.

### Year to Begin For Phoenix PTA

The first session for the school year of Phoenix Parent Teacher association will be held Thursday, October 2, at 8 p.m. in the grade school gymnasium.

Ernest James, school superintendent, will introduce school board members and teachers.

October is designated as PTA membership month and Mrs. Lester L. Igo, membership chairman, invites all parents to join. However, it is not necessary to have a child in school to belong to the PTA; anyone interested in school betterment and welfare of children may join.

Child care for small children is provided at each meeting. Mothers of children in the first grade will serve refreshments following the meeting Thursday night.

### Woman Honored On 85th Birthday

Mrs. S. S. Smith, long-time Medford resident, recently celebrated her 85th birthday at Mountain View Nursing home, Ashland. During her years in Medford Mrs. Smith has been a member of the ABC class of First Christian church, of Crater Lake chapter, Daughters of the American Revolution, Mistletoe camp, Royal Neighbors of America, and the Women's Relief corps.

Members of these groups and other relatives and friends in the valley marked Mrs. Smith's birthday with cards, letters and remembrances.

### Meeting Scheduled For Roxy Ann HEC

Roxy Ann Home Economics club will meet at the home of Mrs. A. E. Sims, 759 South Holly street, Wednesday, October 1, at 8 p.m. Mrs. Orie Moore will be co-hostess.

## New Legal Threat Could Oust Hoffa And Restore Beck

Washington—(UPI)—Teamster boss James R. Hoffa faced a new legal threat today which could lead to his removal from office and even conceivably to restoration of Dave Beck as kingpin of the giant truckers union.

Such a switch became a distinct possibility when the teamsters' court-appointed monitors said they would ask a federal court to rule on the validity of the consent decree which put Hoffa in power as union president.

### Bob Hope Returns To Paramount Studio

Hollywood—(UPI)—Comedian Bob Hope was welcomed back to Paramount Studios Monday after an absence of more than two years from the lot where he became famous.

Hope was presented with a jar of yogurt by the commissary staff and greeted in welcoming ceremonies as the "most universally liked performer at Paramount."

Since making "Beau James" for Paramount two years ago, the comedian has made pictures in Europe and appeared on television. His new picture, which he co-produced, is called "Alias Jesse James."

The monitors agreed to request Federal Judge F. Dickinson Letts to decide whether failure to inform each individual teamster of details of the compromise decree makes it void.

Since the compromise also established the "watchdog" monitor panel to check on the way Hoffa runs the 1,500,000-member union, the new move could eventually abolish the three-man monitor group as well.

The surprise step by the monitors to amend their previously-filed petition seeking wider anti-corruption powers over the union came in a day packed with legal maneuvering Monday.

The union opposed any grant of new authority to the monitors, insisting it has complied with their every "reasonable" demand. The monitors have told Judge Letts their clean-up orders have been partly ignored.

Letts told United Press International he doubted whether a hearing could be held on the conflicting claims until after the middle of October.

## 4-H CLUB NEWS

**Reese Creek Renegades**  
Reese Creek Renegades will meet Saturday, Oct. 4, at 7:30 p.m. at the home of Mr. and Mrs. Clifford Moore on Ball rd.

Final business of the old year 1957-58 will be taken care of, and the outstanding club member award will be given.

Organization for the new year 1958-59 will be held at the same time, with new officers to be elected. All new prospective members are welcome to attend this meeting. Reese Creek Renegades is a general livestock club.

Jerry Moore, Reporter

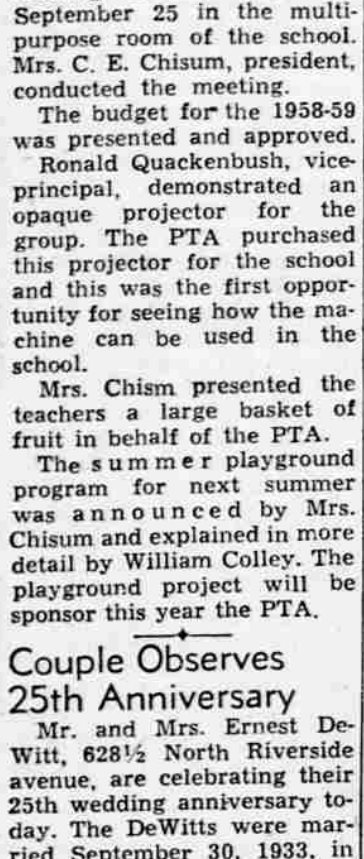

The cut-throat trout of western North America is so called because of red markings under the lower jaw.

### Ouster Requested

There were these developments:—The teamsters asked the court to oust one of the three monitors, New York attorney Godfrey P. Schmidt, "on conflict of interest" charges. They said Schmidt represents employers involved in negotiations with the truckers and has submitted exorbitant expense accounts to the union. Schmidt, in a statement, called the charge "false and a lot of nonsense."

The union opposed any grant of new authority to the monitors, insisting it has complied with their every "reasonable" demand. The monitors have told Judge Letts their clean-up orders have been partly ignored.

Letts told United Press International he doubted whether a hearing could be held on the conflicting claims until after the middle of October.

**GREET PILOT**—Mr. and Mrs. Shelby Tuttle, 232 Valley View dr., mount the steps of the new West Coast airlines F-27 prop-jet airliner at the Medford airport to greet their son, Capt. Shelby Gordon Tuttle, pilot of the inaugural flight. The pilot is divisional chief pilot for West Coast airlines. His father recently retired here as manager of SOS packing house, a pear shipping cooperative. The picture was taken Sunday as Tuttle flew in with Will Peters, 75, oldest licensed Oregon pilot, as passenger. (Knackstedt photo)

### Couple Observes 25th Anniversary

Mr. and Mrs. Ernest DeWitt, 628 1/2 North Riverside avenue, are celebrating their 25th wedding anniversary today. The DeWitts were married September 30, 1933, in Altus, Okla., and have made their home here for the past four years.

They have five children and five grand-children. Their sons and daughters are William DeWitt, Mrs. Robert Anders, Buster Lorraine DeWitt, Marie and Florine Kay.

# WE TAKE

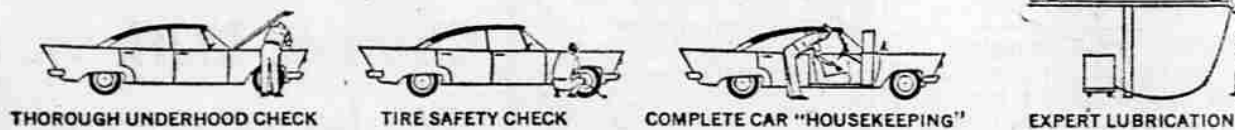

Walk away from worry when you leave your car—American or foreign—at the sign of the Chevron. When we do a lubrication, for instance, we also inspect the fan belt, battery, transmission, tires. And our service procedures and lubricants are approved by auto makers the world over.

# BETTER

This extra care lets us guarantee your car free from squeaks for a full 1000 miles. Not only that—you'll find your floors swept clean, windows shining, steering wheel spotless. No wonder motorists rate service at the sign of the Chevron "best in the West," according to every independent survey.

# CARE OF

THOROUGH UNDERHOOD CHECK TIRE SAFETY CHECK COMPLETE CAR "HOUSEKEEPING" EXPERT LUBRICATION

# YOUR CAR

The sticker on the door tells you when your car will need servicing again—and when it's time for an oil drain. Remember, that's the only way to protect your engine against wear caused by grit, carbon, road dust and other contaminants. Remember, too, to refill with RPM Supreme Motor Oil. Its exclusive Detergent-Action compounding keeps parts so clean, protects them so well, engines can outlast the car itself!
