GONE HUNTING?
NO! We Haven't - We Are OPEN FOR BUSINESS
We would like to have gone hunting; but, we had to stay and find a home for these people.

We have a couple that have \$2,000.00 to pay down on a two or three bedroom home on a half acre or more close to Medford. They prefer the Southwest part of the area (Griffin Creek is their first choice) and they want to stay under \$12,000.00. If you have such a place, won't you please call us today?

We have another couple that want a home on the East side. They prefer to stay under \$15,000.00. They want a three-bedroom home, with a two-car garage. They prefer natural wood cabinets, and an average size lot. It must be a good home in top condition. If everything else suited them, they would settle for a carport. Won't you please phone us if you know of such a place?

We have two parties that are looking for a three-bedroom place on two or three (or five or six) acres of irrigated land not over six miles from Medford that can be bought on reasonable terms. One of them wants a nearly new house, the other one would settle for an older home. They are both GI's and would apply for a GI loan if no other financing was available.

Do You Need 3 BEDROOMS Family Room?
Plus a large
the Price is only \$13,900
Vacant now - move right in - with a low, low down payment and very reasonable terms.

ARE YOU TIRED OF RANCHING?
We have a buyer for a large ranch in this area. He has the Cash!
If you have a productive ranch and want to sell it now - call us today. We will see you Monday.
