

Styled for Romance

by Allyn Rice

WEDDINGS are wonderfully exciting. Since romance knows no season, Fall and Winter weddings are almost as popular as the traditional June event. Cooler weather calls for more formal dress—from wedding gown to honeymoon attire—and wool knits head the list as the high-fashion, trouble-free travel fabric.

Far left: For the great moment—Portrait Bridal's formal gown with sequins and pearls on Chantilly-type lace over gleaming satin (\$125).
 Top left: High-fashion for a glamorous honeymoon is Richard Cole's cocktail dress of worsted jersey. The Empire décolletage plunges to a cabbage rose at bosom (\$40).
 Lower left: Her travel costume is a slim-skirted, two-piece wool knit by Guttman. Stitched cording emphasizes waistband, neck, and cuffs of the eased-fit top (\$45).

FIX-UP AID: Good for dozens of fix-up jobs around the house and car, this new repair material provides the strength of welding without tools or flame. It's a combination of atomized steel, special adhesive, and hardening agent. You can dab it on to fasten steel to steel, or wood to metal, concrete, porcelain. And you can fill holes with it in automobile mufflers, furnace, radiators, steam pipes. \$1. Woodhill, 1390 E. 34th St., Cleveland, O.

FOR YOUR FIREPLACE: Here's a versatile barbecue cooker good for fireplace or back yard and easy to fold and carry along on trips. An expanding post adjusts to any height fireplace or can be pushed into the ground. With it, go a 16"-diameter grill, fire pan, and rotisserie, all of which adjust up and down and swing in and out for easy cooking and fire tending. Fire pan catches all drips, prevents stains on hearth and floor. Rotisserie works on two flashlight batteries. You can operate grill and rotisserie together or separately, use either charcoal in the firepan or a wood fire below. \$16.95. Rotisserie, an optional extra, \$9.95. Yield House, North Conway, N.H.

PLASTIC THROWAWAY CUPS: New disposable china-shaped cups are made of heat-resistant polystyrene and have folding handles that lock in slip-proof grooves. No heat is transmitted to the handle or lip. Can be used for hot beverages, soups, stews; disposable feature makes them especially practical for the sick room. Ivory color. 15 for 29c. Federal Tool Corp., 3600 W. Pratt Blvd., Chicago 45, Ill.

 TEETH!**

Now I know
 no powder
 can hold like
Poli-Grip Cream

so tight... so long... so snug

Now you can eat, laugh... even sneeze without fear of embarrassment. Poli-Grip grips no matter what!

This pink, pleasant-tasting cream locks slipping, sliding dentures in place. You feel its snug, tight-fitting comfort immediately.

New Cream Locks In Plates with Natural Suction Method

You see, dentures work on the scientific principle of suction. This means you need an airtight seal to keep them in place.

Unlike powders that dry into hard, uneven clumps that let air seep in, Poli-Grip spreads smoothly and evenly... builds a comfortable seal that forms a natural suction to keep air out. Your plates hold tighter, longer. Get Poli-Grip. Discover comfort you never thought possible.
