LA Rams Humiliate Forty-Niners 33-3

San Francisco - (UPI) - Los Angeles and San Francisco were tied with the Chicago Bears for second place in the Western Division of the National Football League today - but the future looked far rosier for the Rams than for the Forty Niners.

The Baltimore Colts and Cleveland Browns, the National Football League's top opponents of classroom study, grabbed the division leads during the week end by producing a shower of touchdowns during their "examinations" on the field.

The Colts who hit the books in a study session under Coach Weeb Ewbank before every workout, became early-season Western division favorites by clobbering the Chicago Bears Saturday night, 51-38.

Coach Paul Brown's Cleveland Browns, who probably do even more classroom studying than the Colts, and woe to the Brownie who loses his notebook, took their usual spot at the top of the Eastern race by swamping the Pittsburgh Steelers, 45-12.

Lone Unbeaten Baltimore and Cleveland both 2-0 emerged as the only undefeated clubs and took one-game leads because of vital assists from the Rams, Philadelphia Eagles and Chicago Cardinals.

Cleveland was the only favorite able to win as five underdogs tied or whipped their week end opponents.

Los Angeles left Baltimore alone in the Western race when it handed the San Francisco Forty-Niners one of their worst defeats Sunday, 33-3.

The Cardinals surprised the Washington Redskins Saturday night, 37-10, and the Eagles scored a 27-24 Sunday upset triumph over the New York Giants.

The Detroit Lions, defending league and Western division champions, fumbled and booted away several scoring chances and were held to a 13-13 tie by the Green Bay Packers.

TV CAUSES FIRES New York - (UPI) - Fire Commissioner Edward F. Canavan blamed television Sunday for at least part of a 90 per cent increase in kitchen fires this year.

Tornado JV Opposes GP Tonight

Medford High varsity footballers, not resting on the laurels of their suspense-filled triumph over Marshfield last Friday, were put through a lot of running this afternoon as they prepared for their Southern Oregon conference opener.

The Black Tornado is host to Crater this Friday in its district starter. Crater opened league play last week end, bowing to Grants Pass.

Attention to this evening shifts to junior varsity football. Medford Jayvees play Grants Pass. The game will be at the Medford stadium at 7 p.m. It will be the first Tornado JV hassle.

So far as was known this morning, the Medford varsity club came through its Marshfield game in good physical shape. However, Gerry Lyons, who did most of the ball packing for the Tornado, is nursing a bruised shoulder.

Y. A. Tittle apparently completed a 40 yard toss to Fred Dugan, but instead it turned out to be 2 points for Los Angeles since Tittle had stepped out of the end zone.

Bill Jessup's punt after the safety was returned to the Forty Niners' 46. Eight plays later Wade passed 8 yards to the towering Lamar Lunday and it was 19-3.

Morris Intercepts Tittle piloted the Forty Niners down to the Ram 1 after the kickoff. But Hugh McElhenny fumbled and Les Richter, a standout all day, recovered.

Later, Tittle was harried by the omnipresent Richter and threw a wobbly aerial that was grabbed by rookie linebacker Lou Michaels who lumbered in for the score.

John Brodie took over the controls but saw one of his passes intercepted by rookie Jack Morris. From the 19, Wilson carried four times in a row, scoring from the 3.

For the Rams, Arnett carried 129 yards on 14 carries while Wade completed 16 for 29 passes for 195 yards.

Barons Triumph In Dixie Series Birmingham, Ala. - (UPI) - Birmingham Barons today owned their Dixie Series championship to the slugging of Lou Limmer and Steve Demeter.

Limmer, one-time major league first baseman, hit a pair of home runs in leading the Southern association champs to an 8-3 victory over Corpus Christi of the Texas league in the afternoon portion of a day-night twin-bill Sunday.

Then Demeter drove in two runs as the Barons edged the Giants, 2-0, under the lights to clinch the best-of-seven series, four games to two.

Elliott Turns Back on Offer Perth, Australia - (UPI) - One of the reasons Herb Elliott turned his back on a \$250,000 offer to turn professional was his yearning for a college education.

The wonder miler announced Sunday he has decided to remain an amateur, thus ruining the dreams of Leo Leavitt, an American promoter, who had hoped to sign Elliott as the star of a troupe of professional athletes.

Instead of touring the world with Leavitt's group, Elliott said he has accepted an offer from his current employers, the Australian Shell Chemical Co., of a full university education while he is on their payroll.

Deer Hunting Reported Fair

Inquiries this morning concerning the week end success of deer hunters in this area brought comments of slow, just fair and about average for the dry weather.

Check was made with sporting goods stores and meat processing plants.

Kills in this area reportedly were scattered. Most reports indicated that hunter luck was only fair because of the dryness which contributes to noise by hunters and keeps the deer "tight in the brush."

However, one man contacted said that hunting appeared to be good considering the dryness. A processing plant said, too, that the number of deer it handled was about average for an opening week end.

Hunters who went to eastern Oregon reportedly had better success.

Ducks, Huskies Can Be Proud Although Losers

United Press International West Coast football, which is getting racked up as usual on the intersectional front, at least had a couple of defeat today that it could be proud of.

Both Oregon and Washington died hard Saturday against the cream of the nation's gridiron might, and did it on enemy soil. Coach Len Casanova's Oregon Ducks made top-ranked Oklahoma battle to squeeze out a 6-0 win and edged the Sooners in the statistics department.

And while that was going on at Norman, Okla., Washington clung to a one-point lead over third-ranked Ohio State for three periods at Columbus before going down in the final quarter, 12-7.

Still, the results went into the loss column leaving the coast's balance sheet for this year with a record of three wins and nine losses in cross-country games. Three of the defeats have been by one point, for those who want some added cold comfort.

Back at home, the biggest surprise was sprung at Berkeley where California upset Washington State 34-14, while intercepting three of Bob Newman's well-advertised passes.

Darkhorses Bill Big 10 Scuffle

Chicago - (UPI) - Wisconsin and Purdue, two darkhorse possibilities for the Big Ten football championship, will get their conference season underway Saturday in a clash on the Badger field.

The Badgers and the Boilermakers, each armed with two consecutive victories over intersectional foes, tangle in one of four league matches, but figure to provide the only close battle on the card.

In other games, Ohio State, winner of two straight, meets twice-beaten Illinois; strong Iowa meets weak Indiana, and Northwestern faces a battered Minnesota.

Michigan State and Michigan who started the conference ball rolling with a 12-12 tie Saturday, take on a couple of intersectional toughies this week.

The Spartans meet Pittsburgh and the Wolverines face Navy.

Neuberger Bill Would Transfer Postal Rate Power

Portland - Sen. Richard L. Neuberger announced today that he is having legislation drafted to transfer authority over postage rates from Congress to the Post Office department itself.

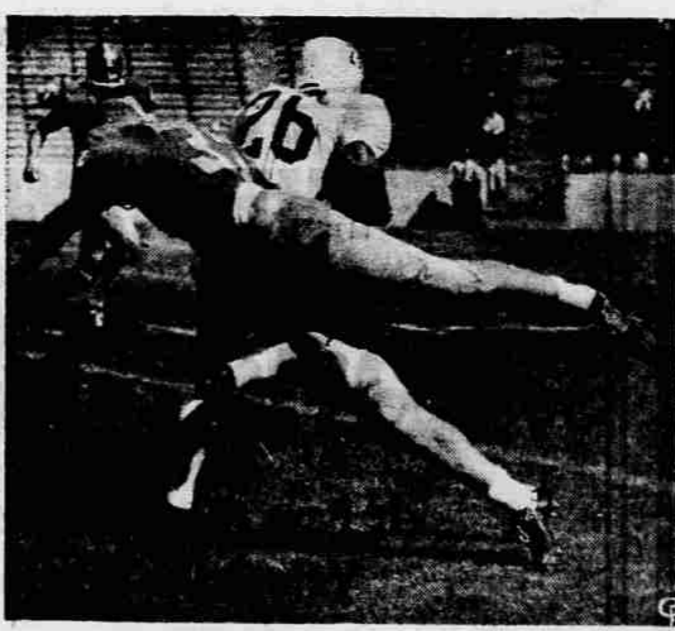

Provisions of the bill will allow Congress to reject a pending increase within 90 days, but the initiative in rate-making would rest with the Postmaster General and his aides.

"My experience this past year in the bitter political battle over postage rates," declared Neuberger, "has convinced me that such an issue should not be determined by partisan or personal politics."

Neuberger pointed out that Congress has no direct control over the rates at which the Bonneville Power administration sells its kilowatts or over the cost of timber stumpage in the National forests or on O&C lands.

"Wouldn't it be a dreadful mess," he added, "if Senators were to be pressured day after day over the cost of a Bonneville kilowatt to a private utility or an aluminum plant? What if we were lobbied every week over the appraised value of a stand of white pine in the Fremont National forest or over the value put on Douglas fir in the Willamette National forest. Yet that is what happens when postal rates are at issue. That is why the rates charged by the Post Office department have lagged so far behind costs, often to the detriment and sacrifice of the families of the men and women employed by the Post Office department."

Certain Standards Neuberger stated that Congress should establish certain definite criteria and standards to guide the postal authorities in fixing rates. "Outside this general framework the department could not go," he

DIGNIFIED SHELL GAME

New York - (UPI) - A shell game came off as scheduled Sunday at the quiet and proper National Arts club. Nearly 1,500 land and sea shells were offered at auction from the collection of Nick Katsaras, a Bergenfield, N. J., cobbler. Top price was \$46 for a Strombus Goliath, found only on certain parts of the Brazilian coast.

Hungarian Stars For Ohio State

United Press International Oscar Hauer, an Ohio State lineman who never heard of football before fleeing Red-occupied Hungary six years ago, turned in a key play Saturday that saved the Buckeyes from a disastrous upset by Washington.

As it was, the Buckeyes squeaked through with a 12-7 win over the underdog Huskies.

With his team trailing, 7-6, late in the third period Hauer broke through the Washington line to block a punt by Bob Schloredt. The ball rolled to the Washington 27-yard line where Ohio State tackle Jim Marshal fell on it.
