

PROGRESSIVE CHANGE—Going on display at Dean and Taylor Pontiac, Sixth and Grape sts., Medford, Friday will be the 1959 Pontiac models. Shown here is the Catalina Vista, the car which represents the most progressive change in Pontiac Motor Division's 51-year history. The wrap-around rear window and contoured windshield provide good vision for safe driving. The Vista models also are featured in the Bonneville and Star Chief series.

Milwaukee (UP) — Fraley's follies and the week end football "winners" — along with some random reflections on the World Series.

Game Of The Week
Army over Notre Dame — the first real test for Army's new "lonesome end" offense. The Irish are traditionally "up" for this one but that brand new attack figures to upset them in a free-scoring tilt.

The East
Princeton over Penn — The hitters really made the pitchers look good.
Yale over Columbia — They should have let 'em swing guitars.
Syracuse over Cornell — Preferable Elvis's.

The Midwest
Ohio State over Illinois — Howard shamed the Yankee outfielders.
Michigan State over Pitt — Every knock to him was a Yankee boost.
Michigan over Navy — Mantle may have bouncier brogans but he doesn't know as much about shoestrings.

The South
Iowa over Indiana, Wisconsin over Purdue, Nebraska over Kansas State, Minnesota over Northwestern, Iowa State over Kansas, Cincinnati over Xavier and SMU over Missouri.

The West
California over Utah — Johnny Logan is the joy-boy of the Braves.
USC over Oregon — The blueplate special.
Washington over Stanford — Del Rice is sizzling because he hasn't caught a game.
Also: Oregon State over Wyoming, UCLA over Florida, Colorado over Arizona, Washington State over Idaho, Air Force over Colorado State and COP over Brigham Young.

The Southwest
Maryland over Texas Aggies — And his curve ball had more bends than a deep sea diver bobbing for apples.
Also: Georgia Tech over Tennessee, North Carolina State over Wake Forest, Clemson over Vanderbilt, North Carolina over South Carolina, Georgia over Florida State, Miami over LUS, West Virginia over Boston U., Mississippi over Tulane, VPI over Virginia, VMI over William and Mary, Alabama over Furman and Mississippi State over Memphis State.

The Southwest
Rice over Arkansas — Mathews won't be remembered as "smiling Ed."

Segregationists Receive Warning

Coronado, Calif. (UP) — Attorney General William P. Rogers warned segregationists Wednesday that integrated schools will come regardless of what they do to avoid it.

"It is plain now that subterfuge and evasion will not work," Rogers told the 21st annual convention of the California Bar Association and Conference of California Judges.

"They are self-defeating. They lead but tortuously to a dead end."

The chief federal legal officer said that continued resistance to integration by closing of public schools or formation of private schools would damage our government both at home and abroad.

"There is not only the damage, already evident in some places, to public schooling," he said. "There is disrespect for law in one area which breeds disrespect in others. And in an atmosphere of disrespect, rebelliousness leads soon to violence."

TCU over Texas — He has an aversion to unnecessary levity.

Oklahoma over Texas — And those strikeouts made him gloomier than a mountain climber in the Sahara.

Also: Oklahoma State over Tulsa and Houston over Wichita.

Baltimore over Green Bay, Cleveland over Cardinals, Detroit over Los Angeles, New York over Washington, Pittsburgh over Philadelphia and Bears over San Francisco.
