

The Cat and the Crab Backward-Forward Race

Bill O'Brien

There is a relay race that's fun. Choose two teams with at least four or six players on each team. One player from one team is a cat. He moves to the goal line and back on all fours. A player from the other team is a crab. He moves backward on all fours to the goal and back. All players take a turn. This odd relay race is full of giggles!

Clothespin CLOWN

DIRECTIONS: First, get wooden clothespin and piece of bright-colored cloth. To make arms for Clothespin Clown, cut strip "B" of cloth 7" long and 2" wide. Roll and tie with thread about 1/2" from both ends. Tie arms around clothespin just below head. To make "C," body of clown, cut piece of cloth 6" wide and 4" long. Fold "C" in half on dotted line (see diagram) and cut 1 1/2" slit in fold. In center of opposite side cut 1 1/2" slit. With needle and thread sew outer edge (x to xx, see diagram), leaving slit as in folded side.

Chest

As in diagram "D" sew around center slit. Place clothespin into suit, letting arms stick out through top slits. Tie suit at neck and at bottom of legs with thread. Glue small wad of cotton on top of head and paint on face. To make hat, trace diagram "G" (or make large one) on colored paper, cut out, and glue straight edges together. Trim with small piece of cotton at tip and glue hat to head. Your Clothespin Clown is ready to go to the circus.

New! lather fragrance color wrapper

Which one is the Dromedary Gingerbread?

Not this! Pale color means pale taste!
This gingerbread was baked with a competitive mix. If you like a bland appearance and weak flavor, this is the kind of gingerbread for you—but it won't satisfy a *real* gingerbread appetite.

This is the real, dark, hearty gingerbread you get *only* from Dromedary. Loaded with golden-brown molasses and tangy Jamaica ginger for that *true* old-fashioned gingerbread taste. Real gingerbread texture, too!

Compare the color!
Compare the texture!
Compare the taste!

One glance tells you which is the *real* gingerbread. Dromedary's darker, richer color means deeper, heartier flavor. And only Dromedary Gingerbread gives you such old-fashioned goodness with just one minute's mixing time.
