

### Airplane Fare Boosts Authorized

Washington—(UPI)—Eight major U. S. airlines Wednesday had authority from the Civil Aeronautics Board to make certain fare boosts starting Oct. 20.

Authority for the increases, however, ends July 31, 1959. American, National, Northeast, Trans-World, United, Continental, Eastern and Delta airlines were authorized to reducing discounts on round trips, circle trips and so-called "open jaw" trips where the travel is interrupted by use of other transportation. The airlines also can boost family plan fares and withdraw free stop-over privileges.

Between the highest and lowest points in Colorado there is a difference of more than 11,000 feet in altitude.

### RADIO PROGRAMS — THURSDAY

Programs listed below are received from the radio stations and the Mail Tribune assumes no responsibility except to make changes as they are supplied.

Table with columns for station call letters (KVCJ 1230 kc, KMED 1440 kc, KWIN 1400 kc) and program listings for various times of the day.

### The Medical Roundup

by Walter Alvarez

Emeritus Consultant in Medicine, Emeritus Professor of Medicine, Mayo Foundation

### Improvement in Food Helps Mental Patients

Anyone who has ever been an intern in an old state or county or city hospital can probably remember vividly months in which each day the cheap, everyday food was presented to him in the worst possible form. I spent two years of my youth in a big county hospital of this type where each day I had to eat the same plateful of greasy corned beef with greasy boiled cabbage, potatoes boiled in their jackets, succotash, and, for dessert, blanc mange. I always marveled at the ability of our old cook to make the food taste so bad. Because the kitchen was swarming with cockroaches, the succotash practically always contained a few defunct insects to each helping!

### Four Appear in Circuit Court

Four persons appeared in circuit court Wednesday afternoon before Judge Edward C. Kelly.

Entering a plea of guilty to uttering and publishing a false check was William Luther Due, 30, of Oakland, Calif. The judge requested a pre-sentence report. Due was represented by Sidney E. Ainsworth, Ashland attorney. Marion Ben Day, and Hazel Pauline Day, 41, both of 417 King st., Medford, appeared on a grand jury indictment for unlawfully obtaining public assistance. The couple were arraigned and their case continued until Oct. 24 to enter their pleas. Mrs. Day was released on her own recognizance with Day lodged in Jackson county jail on \$500 bail.

### Edson Named School Board's Architect

Grants Pass — Jack Edson, Medford architect, has been retained by the Josephine County school board to make a preliminary study of building needs for the county school district building program.

### Two Appearances Made in Court

Oral William Mize, star route, Eagle Point, pleaded guilty in circuit court Tuesday to uttering and publishing a false check. A pre-sentence report has been ordered. Mize is charged with passing a false check in Medford on Aug. 26. Ross Birdsel Best, 343 B st., Ashland, pleaded guilty in circuit court to charges of grand larceny. A pre-sentence report has been ordered. Best is charged with taking checks and currency valued at \$265.25 from the Tally Ho dining room on Sept. 15.

### POPULATION INCREASES

Washington — (UPI) — The nation's population reached an estimated 175 million persons today. A "population scoreboard" in the Commerce Department building lobby registered the figure this morning.
