

Kefauver Says Cotton Plan Better

Washington—(AP)—Sen. Estes Kefauver (D-Tenn.) says he is "better satisfied" with the Agriculture Department's cotton export program for a meeting with Assistant Secretary Marvin McLain Thursday. That sale of 304,000 bales of cotton Thursday for export brightens the picture considerably," Kefauver said. Kefauver had said in a letter to Secretary of Agriculture Ezra Taft Benson that export prices of American surplus cotton must be lowered to meet competition.
