Gala Tornado week events filled the last few days of Medford High. Monday the ribbon sale began and continued throughout the week. Thursday evening "dozens" of cars met on the parking lot for a noise parade to a bonfire on Barnett rd. where a pep rally was held. A Klamath Falls "Pelican" was burned in effigy by the football players, and a serpentine around the bonfire ended the ceremonies.

Friday committees worked all day in readying floats for the float parade which began at 2:30 p.m. All clubs not entered were charged a \$5 fine.

Pep and spirit continued with the Klamath Falls-Medford game Friday night. Pre-game ceremonies crowned the King and Queen of Tornado with Yell Queen Shirley Rutherford and Yell King Dave Havlick officiating. Arnold Wolfe was crowned King and Jean Warnock Queen. Attending prince and princesses were Booth Deakins and Pat Newberry, juniors; Terry Earl and Karen Stelle, sophomores.

As a close to the week, the second annual Tornado semi-formal was held in the boys' gym Saturday night.

Shouts of joy filled the air when James Johnston, physics teacher, announced that the new physics rooms were ready for use. Thursday and Friday physics classes could be seen parading between the new and old rooms with stools, scales, metersticks and other equipment.

After the last ordering, the only way to obtain a ring will be by ordering them individually and directly from the company. There will be an additional charge for all individual orders.

London—(UPI)—Queen Elizabeth and other members of the royal family took part on Sunday in the dedication of the rebuilt old church of St. Clement Dane's, which gave its name to the Elizabethan nursery rhyme, "Oranges and Lemons say the bells at St. Clement's."

The three-century-old church, destroyed in 1942 by a German bomb, was reconsecrated as central chapel of the Royal Air Force. The \$30,000 organ used in the inaugural services was donated by U. S. airmen in Britain.
