Railroad Unions Divided Over Holmes, Hatfield

Portland—UPI—Some confusion over whether the railroad unions in Oregon support Gov. Robert Holmes or Secretary of State Mark Hatfield for governor appeared today to resolve itself into a split in union ranks.

Officials of the Railroad Brotherhood's Legislative League, representing some 8000 workers, declared they supported Hatfield for governor, asserting that Holmes' actions were "completely dominated" by Public Utilities Commissioner Howard Morgan.

But the Brotherhood of Railroad Trainmen said it would support Holmes because he "has been as fine a friend of railroad labor as any one could ask."

Not Dominated
W. E. Stitt, acting president of the railroad league, said "While we happen to agree with the Multnomah County Labor Council and the Committee for Political Education in the endorsement of many candidates, including Rep. Edith Green and Labor Commissioner Norman O. Nilsen, we want to make it plain that neither the council nor COPE dominates our actions, most especially where the governorship is concerned."

Jerry Rutledge, legislative representative of the Brotherhood of Railroad Trainmen, said "It has always been our policy to support the incumbent who has befriended us and is willing and able to act with conscience."

Graham's Group Bows To Governor

Columbia, S. C.—UPI—The group sponsoring a Sunday rally by evangelist Billy Graham yielded to protests of Gov. George Bell Timmerman Jr. today and abandoned plans to use the statehouse steps.

The Billy Graham Steering Committee, a group of ministers and laymen setting up the rally, said it would be held instead at nearby Ft. Jackson. The exact spot and time were to be announced later.

Timmerman had branded Graham an integrationist, and said no permission for use of the state capitol steps had been given.

Timmerman said Wednesday night the issue was whether Graham's plans to preach on the state house grounds constituted a "violation of the law of the land" and the principle of "separation of church and state."

But Timmerman reaffirmed his first—and foremost—objection to the Graham rally, that the evangelist is "a widely-known advocate of desegregation."

The governor denied permission had been granted for use of the grounds and said he would leave it to Graham's "conscience as to whether he will trespass on state property."

Chiang Honors Memory of Pope

Taipei—UPI—President Chiang Kai-shek interrupted his talks with Secretary of State John Foster Dulles on Wednesday night to pay homage to the late Pope Pius XII.

Chiang, a Methodist, paid his respects at a requiem mass for the Pope attended by 5,000 persons in the armed forces stadium. The President entered the stadium five minutes before the Mass began, walked to the temporary altar and bowed three times in Chinese style toward a casket draped in black cloth.

He departed as the Mass started.

Anna Alberghetti Not Yet Engaged

Hollywood—UPI—Singer Anna Maria Alberghetti, 21, today said she and conductor Buddy Bregman "are very fond of each other" but they have not yet become engaged.

"When we set the engagement date we'll let everyone know," the young singer said in response to rumors she and Bregman were planning a January wedding.

PROTEST PLANE SALE

Mexico City—UPI—Several hundred Cuban refugees attempted a "march on the British embassy" Wednesday night to protest Britain's offer to sell jet fighters to the Cuban government. Police riot squads broke up the mob some distance from the embassy. Sixty-eight men and 15 women were arrested, but there was no report of casualties.
