

Parent-Teacher Conference Set

Jackson school will hold a parent-teacher conference night for parents of fifth and sixth graders Tuesday, Oct. 28, Bruce Metzger, principal, has announced.

Teachers will be in their home rooms between 7 and 9 p.m. to hold informal conferences with parents who desire them. Parents will be issued their children's report card for the first six-week period at this time, he said.

The special conference has been arranged for parents who would like further information than that supplied by the formal report card. Parents should not feel obligated

to participate in the conference night, Metzger noted, and added that parents are invited to visit the school at any time.

Parents with questions on any phase of their child's school life are urged to participate, he added.
