

They'll Do It Every Time By Jimmy Hatlo

NO KIDDIN'-THERE WERE TEN GALS TO EVERY GUY ON BOARD--THEN I TOOK A PLANE AND YOU SHOULD'VE SEEN THE STEWARDESS--SHE CALLED HER PHONE NUMBER--YOU SHOULD'VE SEEN THE WAITRESS AT THE HOTEL I STAYED AT IN DOOLEYTOWN--WOW! THEN THERE WAS THIS LITTLE PHONE OPERATOR--

THE DAMES MUSTA SWAM OUT TO THE BOAT--I SAW HIM OFF--THE ONLY GAL UNDER SIXTY WAS THE CAPTAIN'S WIFE--AND SHE GOT OFF BEFORE IT SAILED--

THE CLUCKS LISTENING TO HIM DON'T BELIEVE IN SANTY CLAUS, BUT THEY GO FOR THAT BALONEY.

ANY GIRLS ON THAT TRIP--I'D LIKE TO GET THEIR VERSION--I'LL BET THEY WANTED THEIR MONEY BACK--

DID HE TAKE A CRUISE OR WAS HE STARTING A LONELY HEARTS CLUB? NONE OF THE CHICKS AROUND HERE GIVE HIM A TUMBLE--

LISTENING TO THE GAY DOG RELIVE HIS VACATION TRAVELS--BUT DON'T ASK HIM WHERE HE'S BEEN--

THANKS AND A TIP OF THE HATLO HAT TO TOM PATTERSON, 35 W. 56TH ST., NEW YORK, N.Y.

Hedrick Junior High
By Nancy Duncan

At the pep assembly Thursday, Oct. 30, the ninth, eighth, and seventh grade yell leaders presented a skit in which witch - prognosticator, Bonnie Lowry, enlarged her crystal ball to the size of our stage.

The Hive, a Hedrick boys' service organization, was busy during the past week. The Hive was constructing "Please don't trick or treat" signs to distribute to homes where Halloween "trick or treaters" would inconvenience someone.

Nineteen members of Future Homemakers of America attended a southern Oregon district meeting in Central Point Saturday, Nov. 1. Miss Phyllis Black, sponsor, accompanied the girls on a chartered bus shared with Hedrick members. The McLoughlin girls were responsible for part of the program and presented the "Story of Home Economics".

The enlarged view showed a superior Hedrick football team running roughshod over a bedraggled, defenseless opponent.

Ninth grade yell leaders Mary Milne, Sandra Bates, Vicki Enders, Sherry Lambert, queen, and eighth graders, Francis Bessonette and Valerie Bevel provided the frames for the football "gear" representing the powerful Hedrick eleven. Eighth grade yell leaders Julie Wray, Sharyn Urie, Susan Filatereau, and seventh grade yell leaders Sue Root, Christy Finch, and Beverly Bush portrayed the ill-uniformed and weak opponent.

The Oct. 24, student body dance prize was won by an angry "Muscovite", Rickie Nissen. Rickie appeared at the dance, "Halloween Masquerade", as "The Mad Russian".

The following girls represented Hedrick at Crater High School Saturday, Nov. 1, at the District Future Homemakers meeting. A panel of seven members discussed how homemakers can be prepared for civil defense.

Organization of the Junior National Rifle association got under way last week under the direction of Don Davis. Lester Hutchinson and J. D. Evans each have group of boys and Mr. Davis has a group of girls. Most of the students are ninth graders interested in improving their skill with rifles. Regular training rifles are used and targets to develop accuracy. After practicing a "dry run" last week, students will use live ammunition next week. Intra-squad matches will be held at first with the better shots making up a team to meet Hedrick in the near future.

Direct receivers of the foretelling of Hedrick's football fortunes were seventh graders Pat Selby and Martha Dixon.

Student body members were the indirect participants, but cheered wildly on each of the three "Hedrick" touchdowns: one by scabback Mary Milne through left tackle; an aerial score when "dead-arm" Enders bulletted the ball to the outstretched arms of Sandra Bates; and a final six points were the result of a "wrasse" fumble, reverse smash by "Lambasting Lambert" through center.

Members of the panel were Jill Barnes, Midge Luther, Barbara Barnum, Sunny Gastineau, Sue Potter and Cheryl Wainscott. Martha Gifford was moderator.

Other girls attending the meeting were Nancy Duncan, Deanna Kunkel, Rita Olson, Sharon Sites, Ellen Montgomery, Barbara Whalin, Linda Cooper, Pat Brown, Dorelyn Huson, Barbara Eastwood, and Karlene Wiltermood. Mrs. Dorothy Sneed, home economics teacher, accompanied the girls. The group left Hedrick by bus at 8:55 a.m. Saturday and returned at 4:30 p.m.

McLoughlin ninth graders beat the Crater Comets freshman football squad, 27-13, Thursday in a game at Central Point. This is the fourth victory in a row for the Bulldogs. A pep assembly was held during the home room period to give the boys a send off.

At the student council meeting Wednesday, Oct. 29, the problem of litter on the school grounds was discussed. The student council agreed that it would not be content until all litter is placed in the trash cans conveniently located on the school grounds. The council also discussed a proposed amendment to the constitution which would raise grade requirements for yell leaders and forbid them to hold another office at the same time.

Monte Kounz, photography class instructor, might have solved a problem which has not arisen yet with students using the dark room. At the entrance to the dark room the students read: "A handkerchief seldom erases lipstick traces, and lipstick smears often bring jeers, beware, lipstick stains can bring pains." Because of limited space and equipment, the class is limited to 20 students.

The championship game for the seventh graders was won by the McLoughlin Black team against the Hedrick Blues 40-6 Thursday afternoon. McLoughlin Whites tied for second place by beating the Hedrick Reds 22-0 Thursday.

Lois Stedman, Bonnie Cheny, and Marsha Watson spoke on a radio show at KYJC. Miss Stedman and Miss Cheny delivered their after dinner speeches which they had prepared in speech class. Miss Watson gave her oral reading entitled "The Luncheon."

IS COLLEGE FOR THE BIRDS?

Absolutely! For smart birds, that is. And in another ten years even they may have trouble getting into the college of their choice.

For in less than ten years college applications are expected to double. This means many able youngsters may be turned down simply for lack of room.

To make matters worse, preposterously low salaries are driving too many gifted teachers into other fields of work.

This is a serious situation. Something must be done about it before it is too late. Won't you help by contributing to the college of your choice now? The returns will be greater than you think.

Stops Constipation Due to "Aging Colon"

New laxative discovery re-creates 3 essentials for normal regularity.

As you grow older, the internal muscles of your colon will also age, lose the strength that propels waste from the body. Stagnant bowel contents become so dry and shrunken that they fail to stimulate the urge to purge. Relief, doctors say, lies in a new laxative principle. Old-style bulks and moisteners may create gas, take 3 or 4 days for relief. Old-style salts and drugs cramp and gripe the entire system. Of all laxatives, only new COLONOID gives you its special 3-way relief that works only on the lower colon (area of constipation).

(1) COLONOID moisturizes dry, hardened waste for easy passage without pain or strain. (2) COLONOID's unequalled rebuilding action helps restore flabby colon muscles. (3) And COLONOID acts gently, on the nerve reflexes that stimulate the vital "mass movement" of your lower colon. COLONOID relieves even chronic constipation overnight; is so gentle it was hospital proved safe even for expectant mothers. And COLONOID won't interfere with absorption of vitamins or other food nutrients. Get COLONOID today! Introductory size 43c.
