GOLD HILL Students Sell Magazines

By MRS. CLYDE KELL
Gold Hill—Students in the fifth, sixth, seventh and eighth grades of Hanby school recently participated in the fifth annual Curtis Publishing company magazine sale. Proceeds will be used to finance student body activities and to purchase such items as athletic suits, and drill team needs.

Total sales by the student body was \$707.18. By reaching the \$700 goal everyone that sold \$15 worth of subscriptions was entitled to a theater party.

Students earning theater tickets were Richey Lester and Carol White, eighth grade; Karen Griggs and Greg Appen, seventh grade; Tommy Abbott, Kenneth Curry and Kirby Koopman, sixth grade winners from Allen Hill's class; Mrs. Mildred Black's sixth grade winners were Ward Hutton, Dickie Ross, Norma Schatz, Linda Walker, Cathy Woodward, Philip Van Horn, Rudy Englebrecht; and fifth grade winners were Jackie Straus, from Claude Morgan's class and Greg Beman and Susan Rosecrans out of Mrs. Ida von Buskirk's room.

Youngsters entitled to a free skating ticket by selling two or more subscriptions on the sales booster week end included Ricky Lester, David Force, Steve Wakeman, Kirby Koopman, Ward Hutton, Dicky Ross, Norman Schatz, Donald Gail, Rudy Englebrecht, Phillip van Horn, and Jackie Straus.

Joyce Dye, eighth grade student, assisted Mrs. Audree Beman, school secretary, with the bookkeeping. Captains of classrooms for the campaign were Richey Herrington, Barbara Schatz, Dicky Ross, Shirley Anderson, Gary Bailey, and Marian Payne.

Reports of progress made on the Past Noble Grands project for the local Odd Fellow's hall were given by Mrs. Daniel Stewart, president, at a recent meeting at the home of Mrs. George Dorman. Fifteen members were present.

Mrs. Clarence Parsley discussed plans for the foodless food sale which is being planned by Amthyst Rebekah lodge in the near future.

Several Boy Scouts in Troop 43 went on an overnight campout near Swede Basin recently, accompanied by Scoutmaster James Coward and Assistant Scoutmaster Raymond Dusenberry. Parents providing transportation for the trip were the Cecil Van Horns, and Mrs. Norman Gail, who was accompanied by Mrs. Paul Thompson on the returning trip.

Scouts going were Howard Meisner, Phillip Van Horn, David Force, Paul Thompson, Gene Blake, Dennis Cornutt, Joe Morris, Bobby Turner, Robert Governor, David Hixson, Mike Mowery, Kerby Koopman, Billy Smith, Tommy Davis.

Mrs. Norman Gail reports that her mother, Mrs. H. G. Wilson, is convalescing at the Gail's home following a fall in which she was injured.

Richy Herrington, son of Mr. and Mrs. Jerry Herrington, Galls Creek rd., recently cut his finger. Three stitches were required for the cut. The accident occurred while he was making a bow and arrow with his hunting knife.

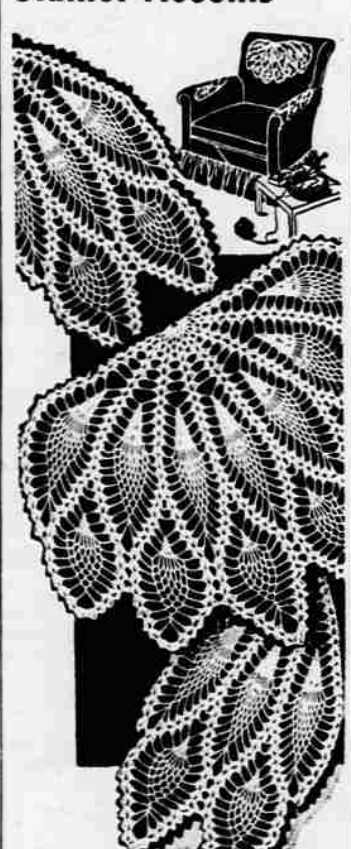

Eston Humphrey, district governor from Medford, was guest speaker at the last meeting of the Gold Hill Lion's club at the Gold Hill Grange hall. Wives of members were guests.

One of the recent projects of the local Lion's club was to furnish doughnuts and cider for local youngsters who participated in the United Nations International Children's Emergency Fund on Halloween. The other activity of the group was the annual sausage breakfast given by the Lion's club last Sunday morning to raise funds for community projects.

Mrs. E. C. Hoffman, president of the Woman's Society of the Gold Hill Community Methodist church, has requested those in need of transportation this Friday to contact her. Several women are planning to attend a meeting Nov. 7 in observation of World Community Day, which will begin at 11 a. m. A panel on the United Nations will precede the luncheon.

CENTRAL POINT Groups Form 4-H Clubs

By DORIS HUGHES
Central Point—Two new 4-H clubs with the project of "rocks, minerals, and soils" have been organized in the Central Point area recently.

While there are 4-H rock clubs functioning in other parts of the state, these are the first two to be organized in Jackson county. In the rock division, the groups will study getting acquainted with rocks, fire-formed rock, "second-hand" rock and rocks born of heat and pressure.

Under minerals, subjects studied will be getting acquainted with minerals, rock-forming minerals and precious and practical minerals. Under soil formation they will study the changing earth, weathering and climate, underground water, internal forces, erosion and conservation.
