Holmes Offers Full Cooperation During Office Change-Over

Portland (UPI)—Lame duck Gov. Robert Holmes Tuesday offered newly-elected Mark Hatfield full cooperation of his office in affecting an orderly transfer of administrations.

He suggested that Hatfield use the facilities of the governor's office "at the earliest possible time" to prepare the budget he will present to the 1959 Legislature at the time of his inauguration in January.

Will Name Successor He referred to the embarrassment he said he suffered at the hands of his predecessors who provided him with estimates of fiscal needs that Holmes has said led to an embarrassing tax surplus. He said he hoped Hatfield could avoid submitting such a budget.

As a Republican governor in a Democratic state and with a Democratic Legislature, Hatfield still will have broad patronage powers and freedom to institute his economic program which he has indicated would affect big savings in the cost of government.

Most important, he will appoint his own successor as secretary of state and probably will be handed a host of resignations from Holmes appointees in other administrative posts. It could mean an all-Republican Board of Control.

Hatfield's political career began only eight years ago when he was elected to the state House of Representatives in his first bid for public office in Marion county. As he went on to the state Senate he was considered a shoo-in at the county level.

Stresses Bi-Partisanship His nomination and subsequent election as secretary of state was the first test of his appeal to a statewide electorate and he passed with a score that clearly marked him a Republican.

Eisenhower Turns To Normal Business

Washington (UPI)—President Eisenhower turned to normal White House business today before taking off Friday on a week end business-and-pleasure trip to Ohio and the West Coast.

The President, who gave his post-election views to his news conference Wednesday, had only two appointments today. He was to meet with his cabinet and hold a regular session with the National Security Council.

The White House announced Wednesday that Eisenhower planned to fly to Toledo, Ohio, and Tacoma, Wash., this week end en route to Seattle where he will speak Monday.

He is expected to fly back to the capital Monday night.

WRONG REPAIRMAN

Whiteville, N. C.—(UPI)—Willie Bennett called a repairman. The repairman said he'd seen the set before—it was stolen from a store where one of his relatives works. Willie Bennett is today in jail.
