MASSIVE AIRDROP Made in Antarctic McMurdo Sound, Antarctica—(UP)—A fleet of U.S. Air Force Globemaster transport planes flew to the South Pole today on a massive airdrop mission that some observers believed emphasized U.S. intentions of maintaining a permanent antarctic base.

The Navy's Operation Deep Freeze will end when the International Geophysical Year runs out Dec. 31, and a new U.S. antarctic research program will take over. Several top U.S. scientists, including Dr. Lloyd W. Berkner, the so-called "father of IGY," arrived at Operation Deep Freeze headquarters here Thursday night to work out plans for continued antarctic research.

They are investigating the possibility of maintaining the three U.S. bases and one joint U.S.-New Zealand base on the frozen continent.

Lack of Report Costs Car Owner

Benson, N.C. — (UP) — It was a case of quick action but poor communication. C. L. Dixon's car was stolen here more than two weeks ago. Dixon learned Thursday from a friend that police had the vehicle stored in a garage. Turned out officers had found it abandoned the same day it was stolen.

Trouble was, police failed to notify Dixon. And when he went to pick up the car, officers wouldn't release it until he had paid for 17 days' storage. "I was too glad to get the car back to argue," Dixon said.

ROYAL EXCUSE London — (UP) — General Sir Richard McCreevy was fined \$8.40 for speeding Thursday despite his excuse that "I was only trying to avoid keeping the Duke of Edinburgh waiting for his polg."

"CAN'T" IS A WORD ANTHONY CAVENDISH can't understand when United Press International sends him after news. Peter Townsend, then courting Princess Margaret, once tried to duck him by racing in a sports car from Brussels onto a waiting air freighter for England. Cavendish roared up the ramp right after him. Passports to Poland couldn't be had when rioting broke out in Poznan. Cavendish got one—and got there. He worked magic again to reach Budapest during the revolt, wangling a visa and a ride into Hungary on a plane unauthorized to take off. Read the latest U.P.I. dispatches from Europe's trouble-spots by this specialist in the impossible—in MEDFORD MAIL TRIBUNE
