

# Red Raiders Engage Mounties In Homecoming Football Fray

Ashland—Preparation for Homecoming festivities have become more involved at Southern Oregon college as this week progresses and the Raider football squad has spent plenty of its time on the field polishing for its share of the celebration.

Southern Oregon gridders oppose Eastern Oregon at 2 p.m. on Saturday on Fuller field in the Homecoming hassle.

New offense of the Raiders has continued to be the topic of conversation and concentration off the gridiron and on. It's the main problem on the practice area. Mistakes of last week's Seattle Ramblers skirmish are being corrected and left formation plays are being inserted into the wing T along with those set up for the right.

The whole Ashlander aggression appears in near top shape for the Mountaineer encounter. SOC has been pronounced in its best physical condition of the fall. Only Al South is sidelined because of injury.

Del Brood has been the top running back in the Raider camp this week. He will team with Laval Meunier at halfback against EOC. Terry Maurer is billed for fullback duties. Lance Locke's running ability is expected to give him starting nod at quarterback. Knack of running with the ball, as well as heaving it, is needed to make the wing T go.

Coach Al Akins has indicated that Jim McAbee and Larry Yarnell will start at ends. Al Sodaro and Bud Brittan may be at tackles and Jim Tacchini and Troy Bellah at guards with 1957 all-conference choice Phil Sword at center.

All the seniors will be team captains for the Homecoming event. There are five, Maurer, Yarnell, Marion Jack, Don Dickson and John Godlove. In the event the Raiders pull off the Homecoming win it will give them a 3-5 record on the season and make them break even in Oregon Collegiate conference play with a 2-2 record. This would also

occasion on the Medford turf. The collegiate and the military service elevens will present the first such competition here in more than two years. Southern Oregon last appeared on the Tornado grass in September 1956. So far as can be learned the Fliers will be the first service team to play at the stadium.

Moffett has compiled a 6-1 record for the season, including a 40 to 25 triumph over the SOC Red Raiders. Only Flier loss has been to San Quentin prison. The service team from down below San Francisco will come to Medford after playing Oregon Technical institute at Klamath Falls. OTI whipped the Raiders of SOC 40 to 0.

Campbell Stars

A 170-pound halfback, Calvin Campbell, is the main ball carrier for Moffett field. He has been picked to all-Navy and all-service teams. To the Raiders and the fans who saw the previous SOC-Moffett contest, Campbell needs no introduction. For those who haven't seen him play, the record speaks. He has scored 23 touchdowns and 10 two-point conversions in seven games.

That the Red Raiders want a triumph over the Fliers is no secret and, with the sting of the early defeat still felt, Southern Oregon reportedly has welcomed this second chance.

Tickets can be purchased at Barker's Men's store, Home Appliance store and at the senior high school in Medford and at the Southern Oregon college business office and Eberhart's Sporting Goods store in Ashland.

The game is part of holiday activities arranged by the Jackson County Veterans Allied council.

RAIDER RECEIVER—Jim McAbee, above, has been an able pass receiver this fall for the throws of Southern Oregon college quarterbacks. The flankman will be in action when the Raider gridders face Eastern Oregon at 2 p.m. Saturday in the Homecoming game at Fuller field in Ashland. McAbee is also a letterman in basketball and baseball and was a three-sport star also while in Talent High school. He'll also perform next Tuesday at the Medford stadium when the Red Raiders meet Moffett Naval Air field.

## Lane, Godih To Collide

Syracuse, N.Y. - (UPI) - Shouts for a shot at the title, usually the favorite post-fight cry of a winning boxer, are coming from the corner of lightweight contender Kenny Lane who meets former French champ Lahouari Godih tonight in a nationally televised 10-rounder.

Jack Kearns, co-manager of Lane, a southpaw from Muskegon, Mich., said that despite Johnny Busso's verdict over lightweight king Joe Brown in Miami Wednesday night, his boy remained first in line for a chance at the 135-pound crown.

"After all," Kearns said, "Lane is still the number one contender and he put up a good fight against Brown last July in the title fight. He certainly earned a re-match."
