Seven Persons Reported Hurt In Car Mishaps

Seven persons were injured in a series of four accidents this week end, state police reported today.

Passengers Barbara Fiedler, 35, Grand Hotel, and Robert Lawrence, Jones, 18, of Rogue River, received cuts and bruises in a two car accident about 4:30 a.m. Sunday on Highway 99 near Miller's Gulch. The injured were riding in a car driven by Donald Martin Fiedler, 35, of the Grand Hotel.

The Fiedler car was southbound on Highway 99 and had just crossed the bridge when the driver lost control and drove into the northbound lane. A northbound car driven by Charles Haskell Hollis, 50, of 510 Mae st., Medford, was struck by the Fiedler car, state police said. The impact spun the Fiedler car around. Fiedler was cited for failure to operate on the right side of the highway.

No injuries and only minor damage resulted from a two car collision at 3:10 p.m. Sunday on Highway 99 near the Rocky Point bridge, just north of Gold Hill, state police said.

A car driven by Norvel Taylor Jones, 51, of 1019 West Second st., Medford, crossed the painted raised cement bars on the highway to turn back to Gold Hill. A car driven by Robert Donald Jackson, 29, Grants Pass, applied his brakes and skidded into the Jones car, hitting it in the left front door, officers said. Jones was cited for making an improper left turn.

Five persons received minor injuries resulting from an accident at the intersection of Agate and Antelope rds. in the Camp White area, state police reported.

Receiving minor injuries were driver Clarence Tedrow Franks, 27, of 60 Wimer st., Ashland; his passenger, Ernest John Barre, 32, of 369 Walker st., Ashland; driver, Anthony Jasper Huckaba, 16, of Butte Falls Star route, box 152, Eagle Point; his passenger, Lewis Charles Lacey, 16, of route 1, box 598, Eagle Point; and Jack Rudolph Huckaba, 29, also of Butte Falls Star route, box 152, Eagle Point, state police said.

The Franks car was traveling south on Agate rd. and failed to stop at a stop sign at Antelope rd. intersection when the Huckaba car struck the Franks car. Occupants of both cars suffered shock, bruises and cuts, officers said. Franks was cited for failure to stop at a stop sign.

The fourth accident Sunday occurred at the Highway 62 and Butte Falls junction when two cars collided. No injuries resulted and only minor damage to the cars involved, officers said.

The cars were driven by Warren Harry Brown, 24, of Butte Falls and Marcellus Herman Kirck, 25, of Sunny-side, Wash.

American Telephone Stock Passes 200

New York — (UPI) — American Telephone capital stock crossed the 200 mark today amid predictions the company will raise the dividend.

The spurt in Telephone along with sharply higher prices for other blue bloods of the stock market helped lift the industrial average to an all-time record high. The last time Telephone sold above 200 was in 1946.

Many other high-grade issues ran up two points or more, including U.S. Steel, Allied Chemical, Eastman Kodak, and Johns-Manville. Strength also was displayed by DuPont, Union Carbide and United Aircraft. Oils provided several gainers. Steels had a few strong spots. Motors firmed.
