Jell-O is a registered trade-mark of General Foods Corp.

## A NUTTY RECIPE

Prepare a package of Orange Jell-O the usual way and chill until slightly thick. Slice one large banana into plump chunks. Fold 1 cup chopped walnuts and the banana slices into the thickened Jell-O. Chill in molds until firm.

For dessert, decorate with whipped cream and more walnuts, if you wish. For a delightful salad, serve on crisp lettuce and garnish with dab of mayonnaise. Makes 4 servings.

Don't let this week go by without **JELL-O**
