Mexico City - (UPI) - Ben Hogan, the hawk of the fairways, took time out today to explain a pitch and putt philosophy which still may carry him to a record-smashing fifth U.S. Open golf championship.

Hogan is here to team with Sam Snead in the 32-nation International Golf and Canada Cup championships - the world series of golf. The little beller's thoughts are never too far from the fabulous Open, which only he, ancient Willie Anderson and the immortal Bobby Jones have won four times.

"I still think I can win that big fifth," said the 46-year-old hawk, whose receding hairline is overbalanced by his ever increasing enthusiasm.

There are three reasons, Hogan frankly admits, why the cards are conceivably stacked against him. These are, the physical drain of ad-

Vejar Gets TKO Over DeNucci

Boston - (UPI) - Former ring TV idol Chico Vejar is back with the old master and ready to lick the world.

The old master is none other than trainer Charlie Goldman, the little guy with the derby who has guided so many fighters, including Rocky Marciano, to the top and near-top.

Vejar, a Stamford, Conn., resident, showed the effects of Goldman's handling again Monday night with a TKO win over rising teen-age middleweight Joe DeNucci of suburban Newton. It was the 19-year-old DeNucci's first defeat in 17 bouts and Chico's fifth straight victory, his third via the knockout route, since calling Goldman back three months ago.

Vejar stopped DeNucci at 1:14 of the sixth round of a scheduled nine-rounder after opening a severe gash over the youth's left eye. DeNucci had posted 12 knockouts in his previous 16 fights.

Linfield Has Five Hoop Vets As Drills Open

Linfield College, McMinnville - Coach Roy Heiser welcomed five returning lettermen among his 34 candidates for this year's defending Northwest Conference co-champion Wildcat hoop squad in their initial week of practice.

Among the five returning numeral winners is all-conference guard Jack Riley, junior from Grant of Portland. Riley was the spark-plug of last year's team and is expected to take over again where he left off last season.

Other returnees are senior guard Ken Trathen, Coquille; forwards Al Darby, from Tacoma, and Terry Woods, junior from Harrisburg, and center Gene Carlson, sophomore from McMinnville. Carlson won't turn out for basketball until the current football season is complete.

Three Starters Lost

Linfield loses three starters from last year's fine team including second team all-conference forward Bill Machamers; forward Ralph Harms and guard Dick Brown.

Russ Kofford, another letter winner, will be lost also as he decided not to attend school this year. Sam Stewart, two year letter winner, decided not to turn out.

Carl Goetze, big 6-8 junior center, was declared ineligible until second semester due to grades.

With Goetze out, Linfield's tallest player is Carlson at 6' 5". The Wildcats are hurting badly for big men.

Three transfers were on hand for the first workouts including Dave Linden, Seattle, transfer from the University of Washington; Len Tirrill, Oakridge, transfer from the University of Oregon; and Ken Davis, Portland (Washington), transfer from Clark J. C. All three are guard hopefuls.

Thorpe Is Honored

Oklahoma City - (UPI) - Jim Thorpe, famed athlete who died in 1953, has become the 16th Indian to be selected for the National Indian Hall of Fame.

The board of directors of the hall, located near Anadarko, Okla., selected Thorpe Monday and at the same time announced a statue of the Fox athlete will be unveiled at Anadarko in 1960.

Boston - (UPI) - The Boston Red Sox will play 24 night games next season, five more than last year, according to the home schedule released today.

DOUBTFUL PERFORMERS

New York - (UPI) - Halfback Alex Webster and tackle Roosevelt Brown are listed today as "doubtful performers" for the New York Giants' next game against the Washington Redskins Sunday. Webster still is limping from an injured right ankle. Brown still is suffering from dizzy spells.

OSC Seeking Third Title As Pacific Coast Champ

Portland - (UPI) - Coach Tommy Prothro will be seeking an unprecedented third straight Pacific Coast conference championship at Oregon State Saturday when the Beavers clash with Oregon's mysterious Webfoots in their 62nd meeting.

Oregon State won the PCC title two seasons ago and tied with Oregon last season. A victory for the Beavers Saturday coupled with a California loss to Stanford would assure Oregon State of at least a tie. If this should happen and should Washington upset Washington State the Beavers would have the title outright. If WSC should win the Cougars would finish at 8-2, the same as OSC providing it

QUARTERBACK KEEPS ball and romps for 10½ yards, as Stanford Indians open against Oregon State College. Garber, the Stanford T-formation back, lunges ahead, but Bates, OSC tackle (79), and Thiel, Beaver end (83), make stop. Paulson (42), OSC halfback, belly-down, front.

West Pro Cage Loop Proposed

Portland - (UPI) - A six-team professional basketball league, independent of the National Basketball association, may be formed on the Pacific Coast this winter, it was reported today.

Proposed members include Portland, Seattle, Los Angeles, San Francisco, Oakland and Spokane.

The Oregon Journal reported that Sid Flaherty, well-known fight manager, was leading the drive for formation of a new pro hoop circuit. Flaherty, who is now in California, was reported to have backing of several eastern sports promoters who have confidence in the Pacific Coast. Plans were said to have been in the forming stage for about a year.

A team here would use the 8000-seat Pacific International building. In two years a recreation center will be completed which would seat 10,000 persons.

Seattle, Wash. - (UPI) - The University of Washington Huskies were concentrating on pass defense this week.

Baylor Challenges Yardley As NBA Scoring Leader

New York - (UPI) - Defending champion George Yardley is the National Basketball association's early scoring leader this year but he has a brand new challenger in rookie Elgin Baylor of the Minneapolis Lakers.

Yardley, 30-year-old, ex-Stanford star, has scored 290 points in 12 games for the Detroit Pistons for a five-point lead over the spectacular rookie from Seattle University. Yardley has averaged 24.2 points a game while Baylor has averaged 23.8.

Baylor, a 6-5, 225-pounder, scored 108 points in his last four games to climb into second place with 285 points. Bob Pettit of the St. Louis Hawks, who has played only nine games and has a league-leading average of 30 points a game, is third with 270 points, and Paul Arizin of the Philadelphia Warriors, averaging 28.1 per game, is fourth with 253 points.

Has Highest Average

Pettit's average is the highest in the history of the league, surpassing a 29.3 average for nine games which George Mikan compiled in 1950.

Ken Sears of the New York Knickerbockers is the field goal percentage leader with a .519 average, followed by Cincinnati's Jim Palmer .505 and Detroit's Dick McGuire .500.

Bill Sharman of the Celtics is the free throw percentage leader with 26 for 29 and a .897 percentage; Baylor leads in rebounds with 193 although the Celtics' Bill Russell has averaged 27.2 for six games, and McGuire leads in assists

Flamio To Fight Again

New York - (UPI) - Welterweight Billy Flamingo will get another fight on Dec. 15 at St. Nicholas Arena, where he almost scored a shutout in his repeat victory over Eddie Lynch Monday night.

Stocky Billy, who won the upset decision on a rounds basis: 9-1, 9-1, 9-0-1, will be matched with Jimmy Archer in mid-December, promoter Teddy Brenner said today.

Flamio, weighing 146½ to Lynch's 149, was a 7-5 underdog although he had won a unanimous upset verdict over Lynch on July 25. Lynch was believed faster and smarter.

ANNOUNCING THE FIRST LUXURY CARS WITH A CONSCIENCE: NEW GAS-SAVING MONTEREYS

New economy-powered Mercury Montereys let you "ride free" 10 miles in every 100

It's about time someone made a luxury car with a V-8 engine that delivers top performance on regular (not premium) gasoline. And Mercury's done it with this beautiful Monterey. You save 10% every time you stop for gas. You get more mileage with regular gasoline than many cars with premium.

It's about time someone built a beautifully styled car that is truly comfortable. Mercury's done it.

- For easier entrance, this Monterey has wider front doors than the costliest cars. The windshield pillar has been moved out of the way of your knees and elbows.
- For extra knee room, the instrument

panel has been moved away from your lap. There's 9 inches more stretch-out comfort.

- For extra comfort for center-seat passengers, the tunnel-hump in the floor has been cut in half. Passengers in the middle no longer ride with their legs doubled up. And the lower hump makes room for thicker seat cushioning—not just thin padding.

In a dozen ways, the '59 Mercury has made pleasures out of what are still problems in other '59 cars. New windshield wipers have an overlapping pattern, clear even the center. New aluminized mufflers last twice as long. New anti-dive suspension checks "nose dip" on sudden stops. Self-

adjusting brakes eliminate periodic adjustment. New Super-Enamel finish keeps its beauty—doesn't need waxing for years.

Best of all, these beautiful Montereys are attractively priced—well within the reach of 2 out of 3 new-car buyers. We invite you to see them at our showroom.
