

California Bears Seek 'Must' Victory Over Stanford Eleven

By SCOTT BRAILLIE
United Press International
"Beat Stanford!"
And California must do exactly that Saturday or turn the Rose Bowl picture into a mathematical jumble which might result in a hurry call for Dr. Glenn Seaborg, the Bears' Nobel Prize-winning physicist.

Oregon State or even Southern California—which was further down in the standings—conceivably would take the field against Iowa on New Year's Day.
These three coast teams also were favored to beat back time-honored opposition.
Cougars-Bears
Washington State, tied with Oregon State in second spot and both a half-game behind California, was an eight point choice over the disappointing Huskies at Seattle. The odds-makers also rated Coach Tommy Prothro's Oregon State

Bears six points better than Oregon while Southern California was a seven-point choice to defeat UCLA.
Other West Coast football will see Iowa State at San Jose State Friday night while College of the Pacific is at San Diego State and San Francisco State invades Fresno State in Saturday games.
Coach Jim Sutherland of Washington State, battling to get his Cougars their first Rose Bowl date since 1931, proclaimed during the week, "We're still in the fight." And he was set to go with the same powerful crew which tore down College of the Pacific, 34-0, last Saturday.

Tribe Gets Bill Martin

Cleveland, Ohio—(UPI)—General Manager Frank Lane of the Cleveland Indians, forced to give up two top hurlers to land scrappy Billy Martin, said today the deal could pay off both on the field and at the gate.
While admitting the Indians "gave up plenty," to get Martin, Lane pointed out that the fiery infielder "could make us one-two-three in next year's race, possibly the difference of 300,000 to 400,000 in attendance."
The Indians obtained Martin and pitcher Al Cioetto from the Detroit Tigers Thursday in exchange for pitchers Dog Mossi and Ray Narleski and infielder Ossie Alvarez.
Martin, 30, was traded to the Indians exactly one year after he was sent to the Tigers in a 13-player deal with Kansas City.

Beavers, Webfoots Vie in Civil War

By HOWARD APPLGATE
United Press International
Corvallis—(UPI)—The weather man today forecast partly sunny and warm weather for Saturday's 82nd renewal of the Oregon-Oregon State football rivalry, oldest in the West.

test, upon which hinges the title hopes of Oregon State. The weather man said the temperature should be around 60 degrees at the 1:30 p.m. game time.
The bright word from the weather man after nearly a week of rain undoubtedly was welcome news to both coaches Len Casanova of Oregon and Tommy Prothro of Oregon State as well as to fans. Casanova's Oregon team has had trouble enough with its offense even on dry fields. Oregon State hoped for good playing conditions so it would be able to mix passes with its powerful running game.
Four Have Bowl Chance
Prothro has won an outright title and co-title in his last two seasons. If the Beavers win and Stanford upsets California, Oregon State would get at least a share of this year's PCC crown. The Rose Bowl nod then would be up to officials of the nine PCC schools.
Going into Saturday's action, California, Oregon State, Washington State and Southern California all hold a chance for a trip to Pasadena, Cal., of course, can settle things by winning from Stanford.

Cage Loop Session On Sunday

What is hoped to be the final meeting in plans to organize a Southern Oregon independent basketball league will be held at the Holland hotel dining room in Medford on Sunday, Nov. 23, at 2 p.m.
Teams already committed to the league are Hawkinson's Tire of Medford, Southern Oregon College JV's of Ashland, Butte Falls, Grants Pass and Riddle. It is hoped at least one more team can be found to round out the league. Invited to attend the meeting are representatives from the Oregon National Guard in Medford, Glendale, Eagle Point and any other team which desires to seek a franchise in the new circuit.
The schedule will be drawn following the Sunday meeting and play is expected to start early in December.

Out of the veil of secrecy which has hung over both practice fields this week came two items of news.
Mason a Starter
Prothro said Grimm Mason probably would start at tailback for Oregon State. Mason reinjured a knee Oct. 25 against Washington and has been out since.
End Ron Stover, the pass-catching hero of Oregon's Rose Bowl team, will be able to play. He has been sidelined recently with a bruised shin. All the Ducks were said to be ready to play except halfback Charlie Tourville, who reinjured his leg against UCLA.
The game will be the final one for a number of seniors, including OSC's two great stars, tackle Ted Bates and fullback Nub Beamer. Bates is rated as one of the best tackles in the country and it may be because of him that the odds-makers have installed the Beavers as slight choices to take their 25th win over Oregon. The Ducks hold 29 victories and there have been eight ties.
On the season so far Oregon State is 6-3, Oregon is 3-5.
The game will be broadcast but not televised.

Trapshoot Set Sunday

Central Point Junior Chamber of Commerce will serve the lunch Sunday at the pre-Thanksgiving turkey shoot of Medford Gun club.
The shoot is to open at 10 a.m. and last through the day. It is open to the public with class events in 16-yard and handicap firing and participation available also to non-shooters.
Hams and turkeys will be prizes.
The shoot is slated rain or shine and is the first major affair of the new shooting season.

Wood Lost Again
Southern California's bulge over UCLA among the pre-makers seemed to drop a little with news that quarterback Willie Wood was out for the year along with Al Prokop. But the Trojans still had a good signal man in Tom Maudlin.
UCLA also has worked out with the shades drawn. Bill Kilmer, hailed as a great sophomore, was expected to start at tailback in place of the injured Chuck Kendall.
San Jose State, a solid team after its uncertain start, hosts an Iowa State delegation that has lost six of its last seven games.
Dick Bass, College of the Pacific's speedback, was expected to roll further ahead as the nation's top ground-gainer against San Diego State. He went into the game with 1,037 gained so far this season.

Syria Communist Purge Ordered

Berut—(UPI)—President Gamal Abdel Nasser has ordered a purge of Communists and fellow travelers in Syria, and it is expected to take place shortly, usually reliable Syrian sources said today.
The sources said the purge would concentrate on Communists and their outspoken sympathizers in the civil service and government.
They indicated that the reason behind Nasser's order was a combination of concern over Communist activity in neighboring Iraq and dissatisfaction with the Reds' refusal to heed his injunction against taking part in politics.

No Grace Period For GI Payments
Despite what some veterans may believe, there is no grace period for the late payment of installments on GI loans. S. T. Brannock, officer in charge of the Medford, Veterans administration office, announced today.
Thus, Brannock added, veterans should make their GI loan payments on or before the date they are due.
Failure to do so may prove costly, Brannock pointed out, since GI lenders may make an extra service charge when payments are received late.
Brannock warned that veterans who gain the reputation of being "chronic delinquents" will find their lenders taking that fact into account if the veterans should ever need an extension of repayment time on their GI loans.
In addition to their loss of credit standing, veterans who become delinquent in their payments may ultimately be faced with the loss of the property acquired with their G. I. loans, Brannock said.

Pope Praises U.S. Church 'Vitality'

Washington—(UPI)—Pope John XXIII has praised the "vitality" of the Catholic church in America in his first message to the bishops of the United States.
The papal message was addressed to the annual meeting of the U.S. Catholic hierarchy which was held here last week. It was made public Thursday night by the National Catholic Welfare conference NCWC.
Pope John expressed his "paternal affection" for the American bishops and his "sincere gratitude" for the "many tokens of prayerful felicitations, loyalty and good wishes" he has received from this country since his election.
"The vitality of the Catholic church in America is a precious source of spiritual richness for the church universal," he said.

Univac Puts Army First

New York—(UPI)—The Univac electrical brain computed Army as the nation's top college football team today and listed Jackie Burkett of Auburn, Bob Harrison of Oklahoma and Max Baughman of Georgia Tech as the three top centers for the third straight week.
In its latest report Univac, which each week is "fed" reports from 145 football coaches, figured Army the top team with a 103.67 rating, replacing Iowa, which slipped to fourth behind Louisiana State and Wisconsin, LSU, which is rated No. 1 by the United Press International board of coaches, was given a 103.32 rating and Wisconsin 102.75. Iowa had a 102.20 rating.
Completing the top 10 were Auburn, Oklahoma, Purdue, Syracuse, Ohio State and Mississippi.

Behind them came Nick Pietrosante, Notre Dame, Pete Dawkins, Army, Bill Cannon, Louisiana State, Bill Austin, Rutgers, Dale Hackbart, Wisconsin, Dan Brown, Houston, Bob Anderson, Army, and Dick Bass, College of Pacific.

TWA Machinists Strike on Schedule

Kansas City, Mo.—(UPI)—A strike by machinists that would ground all Trans World Airlines flights occurred on schedule at 10 a.m. c.s.t. today, but there was hope of a quick settlement.
Two minutes before the strike deadline, union negotiator Cliff Miller called his international headquarters in Washington to report a last-minute company offer. He then left without further comment.
Two officials would not divulge their latest offer, but said they expected to have an answer within 30 minutes.
Meanwhile, the union threw up pickets at Kansas City's Municipal Airport on schedule.
"We don't know for sure," a TWA spokesman said, "but it looks as if the strike is on."
