

WHERE BOAT WENT DOWN—"X" marks the spot on Lake Michigan where the 600-foot cargo steamer Carl D. Bradley broke in two and sank with its crew of 35 men, during a violent storm. Two members of the crew have been saved, but there is little hope for the other 33. Several bodies have been found.

Early Overseas Mailing Urged

Washington—UPI—The Post Office today urged persons sending Christmas packages by air to military post offices overseas to get the mail under way no later than Dec. 10. Postmaster General Arthur E. Summerfield said the post office was faced with moving a larger volume of air parcel post than ever before due chiefly to the raising of the maximum size and weight limitations. The maximum weight limit on air parcel post to certain military post offices was raised from 2 pounds up to 70 pounds, and others up to 50 pounds.

Summerfield said the mailing deadlines between Dec. 1 and 10 should be "strictly observed" or packages sent even earlier wherever feasible. Plans have been completed to assure delivery everywhere in time for Christmas, Summerfield stated.

Search for Scouts To Be Called Off

Tucson, Ariz.—UPI—A search by some 400 rescuers, military and civilian, for three Boy Scouts lost since Saturday in freezing, rugged mountains near here will be called off tonight unless definite new leads develop.

Pima County Sheriff James Clark said Thursday night he would call off the search for the three Tucson boys, identified as Mike Early, 16; Dave Greenberg, 12 and Michael Lanoue, 13, unless something positive turned up.

The boys became separated from three hiking companions last Saturday in the Santa Rita mountains, some 35 miles southeast of here, during a snowstorm. "Old Baldy," where they are believed lost, currently has snow seven feet deep.

New Zealand produced 4,463,976 pounds of tobacco during 1957, a decline of more than 170,000 from 1956.
