

VALE HEADS FOR STATE CHAMPIONSHIP

Aerial Offensive By Bates, Monson Downs Eagles 42-0

Eagle Point — Vale high's potent Vikings thrust through the air Saturday with mighty effectiveness to pillage Eagle Point and move into Oregon championship football finals for the fourth time in five seasons.

The Vikings, defending A-2 titlists, featured the throwing of halfback Bob Bates and snaring of another halfback, Stan Monson, to smash the Eagles 42 to 0 in the state semi-final joust. Now unbeaten in 23 straight games, Vale goes against Willamina next week end in the 1958 titular game.

Both power and passing— but mostly the aerial game—made the Viking offense go. Bates pitched four touchdown tosses, three to Monson for 46, 19 and 33 yards and one to Charles Becker for 49. Battering Dick Fulwyler socked two yards for one TD and ran four extra points. Bob Johnson chucked to Bill Jacobs for 26 yards and the other six-point score. Bates thumped true on two conversion kicks.

Eagles Stymied
And, while Vale struck sharply with its own assault, it stymied the Eagle offensive with the charging of its massive line. Only once did Eagle Point surge in sustained attack. That lone penetration of Viking territory in the waning moments carried to the 32-yard line. Then a fumble lost the ball.

The visiting East Oregonians got most of the breaks in the game, noted the ground offensive, made almost two-thirds of its yardage yesterday through the air, 257 of its total 378.

Bates had 12 completions in 19 throws (nine for 12 in the opening half) for 231 aerial yards.

The Vikes pushed 62 yards off the opening kick to gain their first TD. They fought in four plays to the Eagle 45-yard stripe. Bates then lost to the 46 but on the next play threw to Monson behind the EP defenders and the receiver raced away to score.

Ground Power Pays
Vale parlayed its ground power to a touchdown the next time it got the ball. Clipping on the kick-off return had put Eagle Point back on its 10. Four plays made only four yards. After Bill McClure's punt, the Vikings took over on the Eagle 40. Six plays marched the ball to the two-yard line. Fulwyler banged the rest of the way.

The first quarter ended 14 to 0.

Third Viking series with the ball saw them held on the Eagle 32-yard line. Eagle Point was restrained again for four yards in three plays. Dave Huffman was forced to quickly get a punt away and it netted just seven yards. Vale took over on the EP 43. In six plays it had the ball on the 11 but Roger Hooper busted through to dump Becker for an eight yard loss on the 19. With fourth down coming up the Eagles seemed to have the east Oregonians stopped. But Bates heaved to Monson for a score.

Hold On Six
Given another attacking opportunity Vale struck out from its 36 and moved steadily down the field. This time the stiffening Eagles held. A fourth down pass was incomplete. Eagle Point took over on its own six-yard, ran two plays and the half concluded 21 to 0.

It's third scrimmage try of the third quarter produced Vale's fourth touchdown of the chilly afternoon. Eagle Point had punted after making only seven yards off the second half kick-off and the Vikes had the ball on the Eagle 46. Beck-

Tremendous Defense Gives Oregon 20-0 Win Over OSC

Corvallis, Ore. —(UPI)— Oregon combined a tremendous defense with powerful plunges of fullback Dave Powell Saturday to knock off Oregon State, 20-0 in the 62nd renewal of the West's oldest football rivalry.

The defeat ruined any hope Oregon State had of at least a share of its third straight Pacific Coast conference title. It was the first time in four years of coaching that Tommy Prothro has lost a home game as head coach at Oregon State.

GP Cagers Limber Up

Grants Pass — Grants Pass high hoop tutor Gordon Prehm expects his 12-man varsity squad to emerge from the rusty stage and start taking shape this week for the 1958-1959 maplecourt campaign.

The Cavemen play at Yreka and Weed, Calif., on Friday and Saturday, Dec. 5 and 6 and Prehm expects to have a good idea this week on which five will be his starting crew. On the basis of early observation, the squad compares with last year's team.

There's good height on the club with seven of the 12-man crew standing 6 feet tall or better.

John Fox is 6-4, Jerry Putnam and Rog Burton 6-3 and Larry Janssen, Rex Benner and John Olson are 6-2. Jim Purkett is 6-even. Others on the crew are Rick Sabbin, 5-10, Dick Hayes, 5-8, Ron Chandler, 5-9, and Mike Leonard, 5-6.

er lost to the 49 and one of Bate's passes was incomplete but the next pitch found Becker and the speedy end and halfback ran away to the goal.

Vale later in the quarter got the ball on the Eagle 29 on Roger Bement's pass interception but Eagle Point gained possession again four downs later on its 21. The Vikes, after stemming the EP effort and forcing another boot, had the pigskin on the EP 38 as the third stanza wound up with the count at 28 to 0. They reached the 28, lost to the 32 then gave up the ball after three uncaught passes.

Monson Interacts
Tom plays later Vale grabbed another opportunity deep in the Eagle area. Monson robbed a throw by EP's Bill Turner and the Vikes had the ball on the 30. They hit to the 28 and were penalized to the 33. A pass misfired but a flat throw to Monson connected. The receiver spun out of the arms of Jim Nease and romped down the sidetrack to the goal.

Last Vale TD came midway through the closing period with Johnson and Jacobs teamed.

Eagle Point charged up the field after receiving the kick-off and in seven plays had journeyed from their 28 to the Vale 32. That's when the fumble spoiled any scoring hopes. Vale's Bill Eltering recovered. The Vikings ran four plays and the game was over.

Eagle defense, spurred by the sparkling play of McClure, was tougher in the second half. It allowed Vale only 39 yards in the second half compared to 82 in the first. More passes dropped incomplete in the second half but four did find their mark and three went for touchdowns.

The Eagles netted just 46 scrimmage yards in the first half, 29 of them in rushing. Fulwyler Gains 68
The Eagles allowed Fulwyler, Vale's top ground gainer, 53 net yards in the first two quarters but held him to 13 over the last two periods for 68 yards on 22 carries. Bill Skeeters netted 32 yards in 13 packs for Eagle Point and McClure 27 in 10 tries.

Foul Helps Tiger Jones Beat Rory

New York —(UPI)— Middleweight Ralph (Tiger) Jones, who upset Rory Calhoun by the margin of a four-round Friday night, may meet top contender Carmen Basilio at Syracuse, N.Y. in January.

Promoter Norman Rothchild announced he has offered ex-champion Basilio \$35,000 to meet Jones at the Syracuse Memorial auditorium in a non-televvised bout.

Unranked Jones, a 9-5 underdog, won a unanimous decision over 10th-rated Calhoun of White Plains, N.Y., in their TV-radio 10-rounder at Madison Square Garden, after slugger Calhoun had been penalized his best round, the eighth, on a low-blow foul.

Warned for Low Blows
The Tiger of St. Albans, N.Y., was low man in the betting because of suspicions that he was "washed up."

Thirty-year-old Jones, who weighed 158 1/2 pounds to Calhoun's 163, was awarded the verdict on a rounds basis: 5-4-1, 5-3-2, 5-4-1, after referee Ray Miller's eight-round forfeiture ruling for a low left hook.

Miller had warned Rory for low blows in the fifth round. The decision was well received by the estimated 3,000 fans, most of whom had been trying to root home the under-Tiger during the bruising fight. However, a poll of 14 sports writers at the ringside favored Calhoun, 5-4-1, and United Press International had 24-year-old Rory ahead, 6-4.

Fish Lake Restocked
Ashland—Fish lake, treated this fall to rid it of trash fish infestation, was stocked on Oct. 28 with 102,000 rainbow trout, Cole Rivers, Grants Pass, state game commission biologist, informed Ashland chapter of the Izaak Walton league here last week.

Rivers said that the fingerlings averaged 4 1/2 inches in length. The lake will be open to fishing next spring. It is believed the rainbow will be 8-11 inches long by that time.

Treatment of the lake to rid it of roach was begun in late September with the main operation on Oct. 1. Ashland skin divers Dick Smith and Tad Gandee were employed to put the toxic chemical rotenone into springs at the bottom of the lake by hose.

Poisoning was highly successful, Rivers told Waltonians. Thorough inspection of the lake later in October failed to locate a single living fish, Rivers said. He said that on Oct. 10 a test was made with a box of live trout. The fish lived only three hours in the still toxic water. Another test was made on Oct. 21 and these fish lived several days.

About 60 species of birds feed on the berries of poison ivy without harm.
