

**MODERN FURNITURE**—Modern doll house furniture promises to be one of this Christmas season's biggest toy hits, according to toy guidance experts. The imported furniture shown here is custom styled and precision made. And, since every child's household needs toys, suggestions are the musical books, dancing monkeys and their music boxes, above. Delightful gifts all!

## Yuletide Custom Is For Family to Buy Favorite Man Gift

A new Yuletide custom is for the entire family to chip in and buy their favorite male something big!

A handsome wool outer-jacket is one gift, whether he's 16 or 60, that's really appreciated.

Even junior will be glad the folks gave him a good-looking melton cloth outer-jacket with a warm wool shawl collar. It's smart and practical, just what boys and youths are wearing today.

Wool plaid outerjackets are the right gift for the out-of-doors man, too. Keep the hunter happy and warm in the new safety color — yellow — now being endorsed by hunting and safety clubs. Yellow wool hunting shirts, caps and outerjackets are shown too.

**Other Gifts**  
For other warmly-welcome

gifts, choose wool socks in either fancy designs or conservative ribs . . . sleeveless lamb's wool sweaters, in gay solid colors to go with a checked or striped Shetland sports coat . . . or, comfortable wool slipper-socks for at-home ease.

Wool flannel slacks are new in pleated types with back-strap and buckle . . . for young men.

The more mature look best in pleated trousers. But whatever the style, remember that all-wool slacks hold a sharp crease and wear best.

**Knitted Wool Gloves**  
Gift the sports car enthusiast with knitted wool gloves with leather palms.

Wrinkle- and -crush proof wool challis ties in striped and foulard patterns are popular and many can be bought with matching belts. Knitted wool ski caps are tops of course, for sportsmen.

A gift set of matching ski-patterned gloves or mittens and muffler in wool, provides warmth, helps prevent chills and lends a bright inexpensive note to the Christmas season. They're popular-priced, so kids can give them to each other.

High schoolers and college students will write a warm thank-you note if you gift them with a six-foot wool muffler in camp colors, maroon and white, blue and white, or what-have-you.

## Candy Canes Get Many Holiday Uses

Nothing's more Christmasy than candy canes, nor speedier for a gala trim. Here are some ideas for utilizing this gay sweet.

Giant canes make neat tray dividers for different candies. Big mugs of spiced tea or egg nog look more festive (and gain in flavor, too) with the addition of a candy cane to stir.

The punch bowl or tall glass drinks are charming with a cane dangling from the rim. Or, how about sticking small ones in cupcakes.

Tall ones are strikingly different replacing candles in their holders. And, of course, candy canes are a must on the Christmas tree.

Incidentally, candy canes are perfect as runners for a white, frosted cake "sleigh."

**DRESS ALIKE** — Mother and daughter dolls in dress-alike fashions will bring a thrill of excitement to some little girl this Christmas. The dolls are dressed in washable, easy-care, fashionable "Everglaze" cotton frocks so that their owner can care for them all by herself!
