

Decorate Eggs For Christmas Trimming

"Easter Eggs" on a Christmas tree? Make them especially glittery and glamorous—and they are perfect on a miniature tree or a small piece of tree-shaped drift wood.

First paint brown hen's eggs and then trim with gold or silver braid, rick rack, sequins and jewels. Designs can be painted on with oil or water base paint. Thread a small ribbon through with a needle that has been waxed, and tie on to the tree with a bow. They're stunning!
