

Leather Comes in Many Unusual Gifts This Year

Finding a gift for the people who seem to "have everything" is no problem this year, say the Luggage and Leather Goods Manufacturers of America. A selection of distinctive and unusual items will be available to solve your problems.

For the man who smokes, what could be more perfect than a leather covered pipe?

A similar guy might like a tobacco humidor in pigskin, shaped cans, sized exactly like a football, or a smaller cigaret box just like a basketball.

The convivial traveler will be delighted with a deluxe bar-in-a-suitcase which contains bottles, shaker, glasses and the necessary accoutrements for mixing.

If it's a relative who is family-minded, choose a perfect gift from among several photo albums labeled "My Grandchildren," "Family Reunions," or other titles for the unofficial collector of family records and events.

One puzzler on your list will enjoy a leather kit containing several decks of cards, and pencils, plus score pads

for his or her favorite card games; these come in sets of six or more. Another complete game set will allow for many evenings of fun with checkers, chess, backgammon and many more, all in one handy case.

The executive on your list gets checked off when you see the desk accessories covered in polished leather, piped

in gold. There is a special gadget which holds his spectacles in an upright case, or a combination scissors and letter opener.

Something "different" in billfolds is ostrich, which is luxurious and yet practical, or fine morocco dressed with a gold tab on which the owner's signature is engraved.

Ghana has boosted its annual manganese ore output to a total of 6,033,478 tons.

Books Hold Answer To Holiday Problem

Books hold the answer to just about every practical or esthetic problem we can encounter — and at Christmas time, books are definitely the answer for the "have everything" or "difficult to please" on your list.

Whether selected for reading pleasure or reference, you'll find just the book to suit every taste, preference and interest on the shelves of your local book shop.

Family groups will appreciate a beautifully bound Bible. Dictionaries and works

of reference are also fine family gifts which will be used constantly.

For the hobbyist you'll find complete volumes on every subject from astronomy to zoology, including gardening, cooking, sewing, decorating, "how-to" subjects, and

all the sports. There's a host of informative books for the arm-chair traveler, which will transport him mentally to every far-away place he's ever dreamed of. Books for children cater to every youthful interest.
