

## CENTRAL POINT Schools Plan Program

By **DORIS HUGHES**  
Central Point - Preparations for a "White Christmas" are under way at Central Point Elementary and Junior High school.

Each student will take a can of food to the school. Wrapping, decorating and marking the cans will be done in classrooms. Christmas carol practicing is also going on for the "White Christmas."

On Dec. 23 all the students will gather in the Junior High school gymnasium, and class by class, will circle the large Christmas tree leaving gifts beneath it. Each grade will take turns singing carols while others march around the tree.

The gifts will then be sorted into baskets and given to needy families in the community. The students themselves prefer to have this "spirit of giving" rather than the usual gift exchange.

Christmas tree ornament making was the project for the meeting of Den 5, Pack 40, Cub Scouts Dec. 4 at the home of Mrs. Carl Morgan.

The ornaments will be used to decorate the Christmas tree for the Pack meeting to be held at 7:30 p.m., Dec. 22 in the Central Point Junior High school library. Cub Scouts working on the project were Ricky Rainey, Mike Smith, Harvey Grissom, Sparky Cagy, Eddie Morgan, Jimmy Morgan, Eddie Mayes, Larry Chase and Kenneth Webb. Mrs. Morgan served refreshments.

Plans are under way for the annual Christmas lighting contest sponsored by the Central Point Junior Chamber of Commerce. Dr. Ned Starnes is chairman of the project. Entry blanks, which are available at the local stores, must be filled out and turned in by Dec. 26 for contestants to be eligible for the judging, which will be held Dec. 23.

All schools in District 6C will dismiss early on the afternoon of Dec. 23 to begin the Christmas vacation. School will resume on Jan. 5.
