## Announce Way To Help - Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers  
acts both to drain clogged sinus cavities  
and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it

shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, **Dristan®** Decongestant Tablets. Dristan Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use Dristan Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.
