Baghdad, Iraq—UPI—Premier Abdul Karim Kassem announced Monday his government has smashed a plot to overthrow his regime.

The announcement, broadcast by Baghdad Radio, said the conspirators, who were not identified, were "corrupt elements in league with foreigners outside Iraq."

In Cairo, the Egyptian semi-official Middle East news agency said "foreign quarters" believed to be American were involved in the plot.

Russia Submarines To Obtain Data

London—UPI—Russia plans to use submarines to gain "valuable scientific data" in various parts of the world, Moscow Radio said today.

A home service broadcast heard here said the submarines would supplement surface craft which have been operating as part of the Soviet contribution in the International Geophysical Year which officially ends Dec. 31.

The broadcast did not say where the undersea explorations would take place.
