

ON DISPLAY - The 1959 Lincoln, now on display at Medford Motors, 225 South Riverside ave., Medford, retains its long, low sweeping lines. Styling features include an enlarged sculptured steel design extending into the front door, an applique at the rear, and a new front grille that extends into the headlamp area. Overall length has been reduced two inches.

Meany Visions Third Party To Achieve Goals

New York—UPI—George Meany, the top man in the American labor movement, warned Tuesday that if labor cannot achieve its objectives any other way, it would have to set up a third political party.

"We do not want our own political party, but if we have to do that to lick the people who want to drag us back to the past, we will start our own political party and do a good job of it," the AFL-CIO president said.

"If labor has to go further than it can through its Committee on Political Education to make America a better place in which to work and live we will take the next step if it is forced upon us."

He said labor did not welcome the idea of a deep political plunge but "it is going to be just as political as it has to be to win its objectives."

Industry may have more of the nation's wealth, he said, "but we've got the people."

Enthusiastic Greeting

Meany's remarks on a possible labor party were greeted with enthusiasm by the 2,842 delegates and alternates attending the first convention

Jury Deliberating Case at Tillamook

Tillamook—UPI—A jury of seven women and five men continued deliberation today in the second degree murder trial of Lelani Batke, 21.

The case went to the panel Tuesday afternoon after Circuit Judge Jack Bohanan gave instructions to the jurors. The jury was out from 7:30 p.m. to about 11 p.m., but announced it had not reached a decision and was locked up for the night.

Miss Batke is charged in the death of a newborn male child found wrapped in a blanket in some bushes in downtown Tillamook last summer.

CHILE DEVALUES PESO

Santiago, Chile—UPI—Chile devalued its peso by 6.2 per cent Tuesday night in an effort to attract foreign investments and increase its exports.

of the newly organized New York State AFL-CIO.

Meany said he was happy to be able to charter the new central labor body and invest its officers. He played an important part in the merger of the State Federation of Labor and the State CIO Council, which together represent about two million members of 2,245 local unions.

Empire Schools Get Bomb Threat

Empire—UPI—Three elementary schools here were evacuated during the noon hour Tuesday by authorities after a man called and hinted a bomb was planted in one of the buildings.

Police said Mrs. Don Regard received a phone call at her Empire home about 11:53 a.m. A man asked her if she had any children in the Madison Ave. school. She said she didn't. He told her that was a good thing "because there won't be any Madison Ave. school after 2:10 p.m."

After the man hung up she called police. Police Chief Milton Richter recommended that the schools be cleared for the day. Authorities checked all three buildings but found no explosives.

Marion Winslow, superintendent of Coos Bay School District 9-C said the caller was apparently a crank. Classes were to be resumed today.

HIS MARK II?

London—UPI—Viscount Kilmauir told the House of Lords Tuesday it's too bad Karl Marx didn't choose the present to write "Das Kapital," for he'd never get it written. "He would be too busy looking for some place to park his car," the viscount explained.
